

Dear Residents, (Posted 01/31/2026)

We would like to inform you that surveillance cameras have been installed on the condominium association property, specifically on walkways, stairwells and paths leading to the parking areas.

We are testing them and will make adjustments if needed.

Purpose of the Cameras:

To enhance the safety of all residents and visitors.

To deter trespassing and unauthorized access.

To help prevent theft and vandalism within our community.

Please note that these measures are implemented with your safety in mind, and the footage will be monitored and maintained responsibly.

Thank you for your understanding and cooperation.

Sincerely,

CANTERBURY F ASSOCIATION
