# FRIENDS OF FELINES

## ARE LOCATED IN THE MAIN BUILDING FOR KITTY ADOPTIONS

Friends of Felines' focus is on rescuing free roaming or abandoned cats and placing them in managed colonies or permanent homes. Working with property owners and families throughout Calvert County Maryland, we help curb cat overpopulation at its source by providing a humane alternative to euthanasia.

We maintain a cat Sanctuary on land provided by our County Commissioners. Those few trapped and rescued cats which cannot be socialized and cannot be returned to their original dangerous location are relocated to the sanctuary where they are maintained by our volunteers.

### ***Make A Donation!***

Friends of Felines is a 501(c)(3) nonprofit. All donations are 100% tax-deductible. We accept cash donations and gift cards for pet stores such as PetSmart. Please include your return address so that we can mail you a record of your donation for tax purposes.
