

Festival in the Park

Kings Landing Park, Huntingtown, MD

from
Linda Stock

....from the bottom of my heart, I would like to personally thank all of the participants and volunteers who helped make this event successful!

If it wasn't for each and every one of you being passionate about this Mission and committing your time, money and resources, we would not be here.

A special thanks to the companies that I had to call at the very last minute, whom gave an automatic answer of YES commitment, no questions asked!

This council made it possible to reach so many resource connections.

Calvert County Family Network (CCFN) serves as the administrative home for the Calvert County Interagency Council (IAC). The IAC brings together local agencies, non-profits, and businesses to achieve a common goal: to collaborate, network, and share information that empowers Calvert County children, youth, and families.
