

# White Label Program

## Welcome to the SEMO Photo Booth white label program!

If you're reading this, then you must be interested in our white label program. What does this mean, you ask? Well, here's the run-down:

- We replace all of our branding with yours and become your team for the whole event.
- You sell our services with your gig as if we were part of your package.
- At the event we would come out, do your gig, clean up ourselves, and leave. No hassle for you. You'll just pay SEMO Photo Booth a flat fee.

### **Why Use SEMO Photo Booth?**

- We know you have high standards, and so do we. We can prove it through our reviews and customer testimonials.
- The white label program allows you to instantly expand your services without buying new equipment or hiring new staff.
- Make more money by charging your client whatever fee seems right to you. All you need to cover is our fixed cost. Which is outlined below.

### **What's this relationship look like?**

You would meet with your client and if you think a photo booth would be a good add on to the event you let us know.

Negotiate your price with your clients then let us know the details of the event.

Our team will come to your event and give your client a phenomenal experience.

During the whole process, you will have one SEMO Photo Booth team member to work with if you have any questions.

### **How to get started?**

If you think we might work well together contact us at (573)631-8361 or [info@semophotobooth.com](mailto:info@semophotobooth.com) to setup a time to talk about partnering.

Once we are all set you book your gig and we'll show up!
