Tuition Express:

Tuition Express is mandatory for all parents at our center. We do not accept cash or checks for tuition payment. Please see the financial agreement for tuition rates, late fees, etc.

Tuition Express – part of the Procure Software system we use to manage our center – allows us to process payments safely, quickly, and efficiently. In a matter of minutes, we can accomplish what previously took us hours to complete – leaving us even more time to spend with the children.

Tuition Express is a PCI Level 1 Service Provider. Your personal account information could not be safer. Automated payments are proven safer than paying by check – the potential for check fraud and identity theft are eliminated.

Thank you!
