Our Guarantee:

Kay Park guarantees all materials and workmanship (except labor and transportation) for one year, excluding vandalism, misuse, and acts of God. Claim for defects must be filed within one year, accompanied by copy of original invoice or invoice number.

Quick Ship Symbol

Look for this symbol to indicate Quick Ship items. Quick Ship items will ship in 7 business days from receipt of order. For quantities above 4 call for lead-time.

2 Day Shipping

Look for this symbol to indicate 2 day shipping items. For quantities up to approximately 4 only. Inquire for larger quantities.

Kay Park Recreation

Kay Park Recreation has been a manufacturer of commercial outdoor furniture since 1954. We offer a large selection of park and playground equipment and commercial grade site furnishings, including outdoor tables, grills, benches, trash containers, drinking fountains, planters, umbrellas, bollards, shade canopies and bike racks. We have a complete line of bleachers and grandstands, as well as some outdoor athletic equipment, ADA products and a rental heavy-duty fiberglass pedal boat.

Please browse through our selection and feel free to contact us if you have any questions.

Our Manufacturing Facility

Our Mission Statement:

We do this to help you build and fulfill your vision of people friendly environments. One that invites people to stay, enjoy your space with new acquaintances, friends and family. Every place has different needs and we are here to help bring your needs to life. We see cities, parks, ball fields and your people spaces across America busy with people who are staying as long they wish because the amenities are comfortable, functional and inviting.

Every design choice, every material choice and product choice is challenged by the question “Is this people friendly?”. For decades, starting with our founder Keith Borglum, a good enough design has never been good enough. Our products are built to last so that the next time you are buying products, it is because you want new designs.

Classico Smoker's Outpost

Perfect for entrances, designated smoking areas and more! Save on Maintenance with no messy sand or continual clean up. The steel pail liner safely collects cigarette waste and makes cleaning easy and convenient. Patented oxygen-restricting design extinguishes cigarettes quickly - no sand or water needed. 40" height encourages use and makes disposing cigarette waste easy and convenient. Durable all-steel construction is fire-safe, won't melt or burn. The textured powder-coated finish, won't rust or discolor pavement. Airtight screw closure attaches base to lid; base-to-lid security chain included to deter theft. Pre-drilled hole in base for bolt-down hardware. Keyhole cigarette opening discourages unwanted litter. Select Color: Bronze, black or pewter.

CSO 40"H x 15"D 15 Lbs

Upscale!
Attractive appearance and steel construction enhances your image by keeping cigarette butts out of sight and hidden from public view.

Safe Smoker

Cigarette receptacle is made of high density polyethylene with UV inhibitors and a flame retardant additive. The tubular top design restricts oxygen to extinguish burning butts. It keeps rain out and odors in. Top is easily removed to empty the internal 4 gallon galvanized collection bucket. Sand can be added to give weight, or use the integrated hold down tabs to bolt it down. Aesthetic appeal for indoor or outdoor use.

Select color: Beige, black, brown, and gray.

SSCR 17 1/2" dia. x 43" high 11 Lbs

Thermoplastic Cigarette Snuffer

This thermoplastic coated ash urn is available in different colors and styles to suit your design needs.

- 11" Diameter x 24 1/2" High
- Choose from Expanded Metal, Perforated Steel or Slatted Steel
- Choose from multiple colors
- Comes Free Standing with Holes for Surface Mount

MCAUSS Slatted Steel 25 Lbs
MCAUPS Perforated Steel 20 Lbs
MCAUEXP Expanded Metal 19 Lbs

Thermoplastic Colors:

Smoker's Butler

Add neatness and a look of class to your facility, indoors or at the entrance. The industrial poly material has the look of beautiful granite. The 9" diameter 25" high snuffer holds 3,000 butts. When full, simply twist the lid off and empty. No messy buckets.

SBCR 9" dia. x 25" high 21 Lbs

**Holds Up to
 3,000 Cigarette Butts!**

Steel Mesh Basket

Designed to withstand constant use and harsh weather conditions. See-through mesh means they don't blow over easily in strong winds and the tapered design permits nesting for storage. These baskets will hold up to 52 gallons of trash in a light weight basket which is ideal for high traffic area where trash must be emptied often. These units feature reinforced steel edges and bottom drain holes. Specify your choice of galvanized (silver), or powder coat (C) color (green, red, black, or blue) when ordering. 23" O.D. at top.

Concrete Sphere Bollard

Sphere bollard comes in two sizes with a square base, very aesthetic.

CBSPH39	39"W x 39" L x 42"H	3,950 Lbs
CBSPH52	52"W x 52" L x 51"H	6,560 Lbs

Concrete Colors and finish:

Concrete Options:

Concrete colors and aggregate textures.

Select Color:

Dove Gray, Terra Cotta, Light Brown, or Sand Tan

Select Texture:

Smooth, Light Sand Blast, Permstone, or Durabrite

Mounting Options:

Option A:

Bollard is precast with hollow core. Dimensions of this core are predetermined by the contractor, and need to be specified when placing the order. Existing pad, slab or sidewalk is cast with exposed vertical tubing or pipe to fit inside the core of the bollard. Before bollard is set on exposed tube. On the existing pad, epoxy, caulk, or other bonding agent is applied to core and/or vertical pipe for securing purposes. The bollard is then set in place.

Option B:

Bollard is precast with pipe or tube protruding from bottom of bollard. Dimensions of protruding pipe or tube are pre-determined by the contractor, and need to be specified when placing order. Existing pad, slab, or sidewalk is cast with sleeve correlating to protruding pipe on the bottom of the bollard. Before bollard is set, epoxy, caulk, or other bonding agent is applied to either the tube or the pipe, and/or applied to the sleeves in the existing pad. The bollard is then set in place.

Option C:

Bollard is precast with apre-determined number and pattern of inserts into the bottom of the bollard. Size and pattern of inserts are determined by the contractor and need to be specified when placing the order. The existing pad, slab or sidewalk is cast with sleeves correlating to the inserts in the bottom of the bollard. Threaded rod (included with purchase of bollard) are then screwed into the inserts in the bottom of the bollard. Epoxy, caulk, or bonding agent is applied to the rod and/or into the sleeves in the existing pad. and the bollard is set into place..

Windsor Select Site Amenities

Windsor Select

Is a line of fine quality site amenities for indoor or outdoor use. The recycled plastic slats are 2" x 3" to create a finer, more elegant look. Slats are attached from the back side using stainless steel fasteners. Recycled plastic is UV protected and will maintain its good appearance for many years with little or no maintenance. Colors are Gray, Cedar, Brown, or Redwood. Please specify when ordering. Recycled plastic is steel reinforced where needed to avoid sagging. All frames are powder coated black.

Windsor Lumbar Comfort Bench

WS4LCBRP	4' Lumbar bench	189 Lbs
WS6LCBRP	6' Lumbar bench	213 Lbs
WS4LCBRPIG	4' In Ground Lumbar	199 Lbs
WS6LCBRPIG	6' In Ground Lumbar	223 Lbs

Landmark Series Amenities

Good for the environment! Not only do they save trees, but they also reduce landfill use! Our recycled plastic is colored with a unique UV process that adds an attractive wood grain appearance. It never needs to be sealed, painted, stained and will not rot. It is maintenance-free! It is also vandal-resistant. Pens and markers can be washed off and paint will not bond to the surface - it can be removed with sandpaper or a paint scraper. Scratches to the surface can easily be ironed or sanded away. These products are designed to give years and years of trouble free service, while keeping their nice appearance. Choose color when ordering.

Landmark Bench with Back

Our Landmark series benches are a popular choice for any environment.

Ornate Cast Aluminum Benches

Add “ageless” elegance to any area with these cast aluminum benches. Cast aluminum frame has electrostatic powder finish. The aluminum frames will never rust and can never leave rusty marks on your floor. Pre-finished White Oak slats, 2 1/2” x 3/4”, with rounded edges add beauty to these well-chosen benches. Also available in maintenance-free recycled plastic Hi-wood slats. Perfect for interior or exterior use. Feet can be drilled for stationary mounting. Add ‘SM’ to the model number. Benches are available in 48”, 60”, or 80” lengths. For extra strength, 60” and 80” benches have a third leg in the center with the armrest removed.

Bike Racks

Kay Park Recreation offers a variety of bicycle parking racks, including vertical bar style bike racks, loop style bicycle racks, as well as some unique low profile, circle, horseshoe and triangle bicycle parking racks. A similar item is offered specifically for skateboards and scooters. We have bicycle parking racks for any application.

Post Hoop Bike Rack

Made of 4 1/2" pipe tube and 3/4" loops. The base is made of 3/8" thick flange. Choose from a powder coat or galvanized finish and choose from surface mount in ground mount.

MBB2GIG	Galvanized In-Ground	57 Lbs
MBB2GSM	Galvanized Surface Mount	41 Lbs
MBB2CIG	Powder Coat In-Ground	53 Lbs
MBB2CSM	Powder Coat Surface Mount	37 Lbs

Horseshoe Style Bike Rack

Made of 2 3/8" O.D. steel pipe with surface mount base plate for bolting down. Available in hot dip galvanized or powder coated finish. Specify powder coat color. 2 bikes can be locked to it. One each side.

MHS2GSM	Galvanized Horseshoe Rack	32 Lbs
MHS2CSM	Powder Coated Horseshoe Rack	32 Lbs

Triangle Style Bike Rack

A unique design made of 2 3/8" O.D. steel tubing frame with 3/4" solid steel rod triangles to lock bikes to. Comes in a variety of powder coat color finishes. Bike spaces are figured one between each triangle and one on each side of the end frames. (Loading from both sides.) This bike rack can hold 7 bikes.

TRBR7C	50" Length, 7 Spaces	85 Lbs

Bleacher Sun Shades

Keep patrons at your next event longer by shading them from the baking hot sun! Providing shade can reduce the temperature on the bleacher by nearly 20 degrees Fahrenheit and give fans up to 95% UV protection! Our shade fabric is woven, high-density polyethylene and is warranted for five years against failure due to rot, UV deterioration or faulty workmanship. The framework is top-quality powder coated steel. It comes with embedment poles and easy installation instructions. **(Surface mount poles are optional. Add 'SM' to the model number.)** Note: Shades are not designed for snow loads and must be removed in winter and when forecasted winds are over 75 mph. Standard colors below. Custom colors available.

Shades for 10 Row Bleachers - 15', 21', or 27'

Model	Dim.	Typical Bleacher Dim.	Typical # of Occupants	Weight
BS2218	18' L x 22' D x 12'H	15' L x 20' W	100	480 Lbs
BS2422	24' L x 22' D x 12'H	21' L x 20' W	140	598 Lbs
BS3022	30' L x 22' D x 12'H	27' L x 20' W	180	651 Lbs

95% UV Protection

Shades for 5 Row Bleachers - 15', 21', or 27'

DS1016G	10' W x 16' L x 8' H	260 Lbs
DS1018G	10' W x 18' L x 8' H	275 Lbs
DS1020G	10' W x 20' L x 8' H	295 Lbs

Bleacher Options

Design standards: The bleachers shall be designed to support, in addition to their weight, a uniformly distributed live load of not less than 120 pounds per square foot of gross horizontal projection of the bleachers. All seat and foot plank members shall be designed to support no less than 125 pounds per linear foot, over a 6 foot span, multi-span condition. Bleachers shall be designed to resist, with or without live load, horizontal wind load of 30 pounds per square foot of gross vertical projection. They shall be designed to resist, in addition to the live load, sway forces applied to the seats, in a direction parallel to the direction of the seat plank, 24 pounds per linear foot of seat plank, and separately, in a direction perpendicular to the direction of seats, 10 pounds per linear foot of seat plank.

Kay's Vertical Bar Guard Rails (V4) 4" Spaced

Kay Park's Vertical Bar Guard Rails (Patented #404-141) were introduced to the outdoor portable bleacher industry, an innovation whose time has come. Vertical galvanized steel bars eliminate the "ladder effect" and a possible toe - hold for climbing on the guardrails. The possibility of accidents and serious injury and liability can be reduced by using vertical bar railing. This is part of Kay Park's continuing effort to make good products even better since 1954. We urge you to plan your purchases on the side of safety. Please note that Kay Park's 3 & 4 Row Low Rise Bleachers are EXEMPT from current guard rail rules because they are less than 30" high. Model numbers with 'V4' include Vertical Bar Guard Rails.

Full Width Footboards (F4)

Many of the various recent codes for outdoor bleacher seating require any opening more than 30" above the ground be small enough so that a 4" sphere cannot pass through. Kay Park has designed a system using two footboards and one riser plank. This system fills the space underneath the seats from the 4th row up to meet the 4" sphere guideline. Double footboards add a lot of comfort and peace of mind to the spectators. Model numbers with 'F4' include the double footboards and riser planks.

NEW! Extruded riser provides even more strength and easier aisle assembly!

Custom Bleacher Wrap

Add custom wrap to your new bleachers for the finished look or add to older bleachers to add school spirit.

- Custom Design (Logo)
- Up to 60" Wide Panels Sections
- Direct Print to Mesh
- Full Color Bleed
- Grommets for Easy Assembly
- **Call for Pricing**

BLA Series Aluminum Angle Frame

Aluminum frames fabricated from a combination of 2" x 2" x 3/16" 6061-T6 alloy aluminum angles and channel using a punched and bolted type construction for maximum strength and safety. All main frame components are pre-assembled with large 1/2" diameter bolts, lock washers and nuts. This bolted aluminum frame provides strong joints that will not develop weld cracks. Model number with a 'BLA' are aluminum frames.

BLG Series Galvanized Steel Frame

Steel frames are fabricated from A36 alloy steel angles using full welds at all joints to give added strength. A combination of 2" x 2" x 3/16" and 1 3/4" x 1 3/4" x 3/16" angles are used, as required, for strength throughout each frame. Connecting "X" braces are 1 1/2" wide by 1/4" thick A36 alloy steel. For greatest protection and longest life, all parts are hot-dip galvanized after fabrication. Model numbers with a 'BLG' are galvanized steel frames.

Aisles & Handrails

Your local code may require one or more aisles and handrails. We do custom bleachers but some typical aisles are a 48" wide center aisle with handrail or a 36" wide aisle for an end aisle. Aisles require double footboards and risers and meet 4" opening guidelines. Heavy duty non-slip step up indicator tape is placed on each step for safety. Model numbers with '48AHR' include a 48" wide center aisle with handrail. Model numbers with '36A' include a 36" end aisle. Contact a sales rep for pricing.

Wheelchair Cut Outs

Check with your local code to see if they require wheelchair cut outs. The double wheelchair space allows for two wheelchairs and a companion to sit directly beside each wheelchair. Add 'DWCS' to the model number.

Bleacher Plank Specifications

Aluminum: Seat planks 6063-T6 extruded aluminum which is clear anodized to standard 204-R1 specification. Standard 8" rise per row uses 2" x 10" seats and low rise 6" rise uses 2" x 12" seats. Walk boards are 2" x 10" 6063-T6 extruded mill finish aluminum. End caps (anodized) and hold down clips are also extruded aluminum. Powder coated colors also available. Call for Details. Model numbers with a "Row#A" row number followed by an 'A' are aluminum planks. **Backrests available**. Fully enclosed decking also available.

BBSSEAT Seat 17.82" W x 11.97"D- Total Depth 14.3" 8 Lbs

Elevated Bleachers

Kay Park's Elevated Bleachers are made to the same high standards and have the same superior features as our non-elevated bleachers. They are backed by our 60 plus years of expertise in building commercial outdoor recreation products. They are safety-equipped with vertical bar guardrails (V4)(patent #404-141) and double width footboards with risers beneath the seats (F4), our elevated bleachers meet the 4" sphere guideline in recent building codes. Standard sizes are 5, 8, 10 and 15 rows and come in many different lengths, and seating capacities. Our bleacher specialist can help you determine placement of entrance stairs, wheelchair ramps, wheelchair spaces and aisles ways to best suit your space, needs and code requirement.

Call 1-800-553-2476 to get your custom quote.

Jiffy Movers

Kay Park's Jiffy Mover "crank-up" unit is fast and easy to use for just one person. Special care has gone into the Jiffy design to reduce tongue weight for easier maneuvering by hand if needed. Primarily designed for transporting 5 row 15', 21', and 27', long bleachers. Top recommended speed is 5 MPH. Aluminum frame bleachers only.

Complete Systems	- (Permanently stays w/ bleacher.)	
JIF51521	5 Row, 15' & 21' long-complete system	291 Lbs
JIF527	5 Row, 27' long-complete system	395 Lbs
Complete Systems	- (Permanently stays w/ bleacher.)

Bleacher Stays Intact

**Easy
to
Move**

Tip & Roll System

Kay Park Tip & Roll Bleachers are particularly suitable for your indoor seating that must be moved from one activity to another. Non-marring sills prevent scuffing of floors. Their special length rear extension and clearance above the floor makes tipping either aluminum or galvanized frames in 3, 4, & 5 row models, without railing. Tipping will be easiest with aluminum frames. The set of four 5" casters set contains 2 casters with brakes. **NOT available on 8 & 10 row bleachers**

Length	Rise			3 Row	4 Row	5 Row

All around perimeter
helps absorb shocks!

Anodized Aluminum Grab Rails
around rear deck!
(Hand rails also available for sides.)

100% Foam-Filled Pontoons
Boat floats level even if one
pontoon is punctured!
(Very important safety factor!)

**Front Marine-Grade Chromed
Handles & Stainless Mooring Eye**
on each side for convenience!
(Mooring eyes or handles in other
locations also available.)

Four Regreassable Bronze Bearings
With easy-to-reach fittings.
(Cuts downtime and lost profit!)

**Patented, Self-Draining Pedal Wells,
Seats, and Pontoons**
Water automatically drains out!

Kay Park Pedal Boats

Pedal boats by Kay Park Recreation are the best commercial-duty fiberglass pedal boats on the market. These pedal boats feature foam-filled pontoons, re-greasable bearings, and are self-draining, making them a trouble-free pedal boat choice for rental operations in public parks, camps and resorts.

Virtually Maintenance-Free

"We've been buying Kay Park Pedal Cruisers for years. We've tried other pedal boats in the past, but we got tired of pulling them out to drain and repair them. Our Kay Park Pedal Cruisers stay in the water all season without giving us any trouble. We don't buy anything else!"

The Difference is Kay's

- Aluminum Grab Rails**
Placed around rear deck! (Hand rails available for sides)
- **Marine-Grade Chromed Handles**
Available on each side for convenience!
- **Resilient Vinyl Mouldings**
Secured around the perimeter to help absorb shocks!
- **Four Regreasable Bronze Bearings**
(This cuts downtime and lost profit!)
- **Built-in Non-skid Surface**
Only available on PCIV rear deck! (NOT stick-on strips)
- Proven reliability - Safety Engineered**

100% Foam Filled

Virtually Unsinkable. Even a punctured pontoon still floats level. Big safety factor - self draining.

Canopy

This optional pedal boat accessory is perfect to protect riders from the hot sun. 25 Lbs.

Canopy White

Stainless Steel

Optional stainless steel hardware is available. Consider this option if boats will be used in salt water.

SS Stainless steel hardware

Boat Covers

Optional Marine grade boat covers are custom made to fit Kay Park Pedal Cruisers. Great to keep boats clean and prevent fading when not in use. 5 Lbs. Light Gray Color

PCIVCOVER 4 Passenger
PCIICOVER 2 Passenger

Easy Steering

Handy wheel location, steers in direction you turn wheel. New, more responsive rudder design.

Direct Drive

The direct drive feature and four convenient grease fittings minimize downtime and maintenance cost. Disc paddle wheel made for easier pedaling, greater thrust.

Self Draining

Never have to drain these boats! Any water that gets in automatically drains back into the lake. No drain plugs needed.

Recycled Plastic Message Centers

Recycled Plastic Message Center

Our premium quality message centers are made from 100% recycled plastic. Our recycled plastic is maintenance free! It will never rot, rust, chip, splinter or peel. It is graffiti resistant and has UV inhibitors to prevent color fading. Our message centers are made with crystal clear, high-impact acrylic viewing glass that will not yellow. The glass is 100 times stronger than regular glass. We use zinc coated locks to secure the sliding doors. A high quality cork board display surface is included. Great for indoor or outdoor use! Message centers are offered in three sizes: Small = 20" x 3.5" x 26", Medium = 36" x 3.5" x 26", Large = 51" x 3.5" x 36". Medium and large sizes are offered as two different models: single sided or double sided. Each unit can be purchased as wall mount or with reinforced mounting posts. Now with thicker cork board. Available in green or cedar.

Color Options

Wood

Our standard wood in 2" x 10" and 2" x 4" is No. 1 Southern Yellow Pine. It is treated with the MCA-Micronized Copper Azole. This pressure treatment process penetrates the woods cellular structure giving it long-lasting resistance to decay and termites. Clean, odorless, non-staining and non-irritating treatment is safe and better for the environment. NAHB Green approved. Other woods are available from time to time please inquire.

Aluminum Plank

0663-T6 clear anodized to 204-R1, 2" x 10" OR 2" x 4" on benches. Anodized aluminum end caps. Bolts and aluminum clips furnished.

Recycled Plastic

Post consumer waste plastic in 2" x 10", 2" x 4", or 2" x 3" sizes. Will be reinforced with steel ribs or supplied with three legs to prevent sag. Redwood color on windsor.

Terms & Conditions:

Terms: Net 30 days from date of invoice to those with approved credit. A 1½% per month finance charge will be applied to payments not made within 60 days from invoice date. Current prices apply at time of shipment. We reserve the right to change specifications and prices without notice. Kay Park Recreation also accepts Visa, MasterCard, and Discover credit cards. Please note that on credit card orders, the credit card will be charged at the time of shipment.

Prices: All prices F.O.B. Factory and most products are shipped knocked down (they will require some assembly), unless quoted otherwise. While we make every effort to keep cost under control, at times market forces beyond our control can result in pricing changes. Therefore we must reserve the right to change pricing without notice.

Cancellations: Due to the possibility that expenses associated with an order may have already been incurred Kay Park Recreation must approve all cancellations of orders. Cancellation fees may apply.

Returns: Returns can be made only with the consent of Kay Park Recreation. Return fees and freight charges may apply.

Freight Charges: Are determined by the carrier. Kay Park Recreation can prepay and add to invoice. Most items are shipped knocked down to reduce freight costs. Typically some assembly may be required. Please see “Delivery” statement below.

Shipments: Made the way considered the most economical and practical unless specified routing instructions are given on the order, in which case we will do our best to follow routing guides. Shipments are also governed by ICC Regulations.

Delay in Transit: Kay Park Recreation is not responsible for delays in transit and such delays do not alter our invoicing terms. If your order does not reach you within a reasonable time after being advised the order has shipped, Kay Park Recreation will track the shipment immediately upon request.

Loss or Damage in Transit: Kay Park Recreation is released of all responsibility for loss or damage in transit by the bill of lading, which is our receipt from the carrier that the shipment was complete and in good condition. This bill of lading is forwarded to you at the time of shipment and should be checked carefully with the shipment when received by the consignee. Any shortage or damage must be noted and signed for by the delivering carrier.

Delivery: Items shipped by common carrier will be delivered curbside at the address specified on the order. The carrier is not responsible for unloading. Your location must be accessible to a large freight truck. Residential delivery, lift gate service, and call-ahead delivery are available at an additional charge and must be specified at the time of the order.

Specifications: Kay Park Recreation has a policy of continuous improvement and reserves the right to discontinue or change specifications without notice.

Weights: All weights are approximate.

Our Guarantee:

Kay Park guarantees all materials and workmanship (except labor and transportation) for one year, excluding vandalism, misuse, and acts of God. Claim for defects must be filed within one year, accompanied by copy of original invoice or invoice number.

Look for this symbol to indicate Quick Ship items. Quick Ship items will ship in 10 business days from receipt of order. For quantities above 4 call for lead-time.

2 Day Shipping

Look for this symbol to indicate 2 day shipping items. For quantities up to approximately 4 only. Inquire about larger quantities.
