

Steppin' Out Dance Centre

Winter Performance Team Newsletter 2021

Competition Fees: Competition Fees for the upcoming competitions are due by February 1st. All fees paid after this date will have a \$10 late fee added **per week**. Please be sure to pay these on time as we need to forward these to the competitions before their deadlines. Competition fees must be paid in the office with Megan or Vanessa and should be dropped off with the completed competition fees form. See the separate packet for prices. Please stop in the office or email the studio with any questions about comp fees or to make your payment.

COVID-19 Competition Guidelines: Our studio will have our own time block where it will only be our studio in the venue for each competition. All of our registered numbers will be competed during this time block. One chaperone/spectator per dancer will be allowed at each competition. Temperatures and screening questions may be done at the competitions and some may require waivers which we will provide prior to that competition. Hand sanitizer stations will be available at all competitions. Masks will be **required** for everyone as per state guidelines. Adjudications will be done in person during our time block and awards will be done virtually. If your child has to quarantine the week of competition, your fees can be credited with a doctor's note. Please contact us if you have any questions about the competition's COVID-19 response.

Solos/Duos/Trios: Dancers entering a solo/duo/trio into the competitions, please speak to Megan or Vanessa in the office to fill out a form and hold your spot in the competitions. The \$25 studio fee also needs to be paid in the office prior to starting with your selected instructor.

Turn It Up: We will be attending Turn It Up Dance Challenge March 5th-7th, 2021 (one day only) in Derry, NH. Our Teen (including Jr/Teen Modern and Tap) and Sr Teams will be competing last year's regular numbers.

NECC: Due to regulations, NECC has been cancelled for this season and will resume in 2022. Nicole, alongside Monique from Northern Explosion, are working together to get a new clogging competition together this spring which will be held at Bayley's Campground! As more details are worked out we look forward to sharing the information with you.

Step Up 2 Dance: This year's Teen and Sr Teams will be attending Step Up 2 Dance April 24th-25th, 2021 (only one day) at the Westbrook Middle School competing this year's new routines.

Spirit of Dance: All our teams will be competing at Spirit of Dance Awards May 7th-8th, 2021 (one day only). Due to no availability at Biddeford Middle School, this competition has changed their location to the DoubleTree Resort across from the Maine Mall in South Portland. This competition (at this time) is only allowing routines with less than 25 dancers, meaning our jazz, hip hop, and clogging productions could be excluded from this competition. We are asking that fees are still paid in full so if anything changes, the fees are already paid for productions. If we are told prior to competition we are unable to perform these numbers we will credit your accounts for these fees.
