Welcome Back:

Welcome back dancers! We have proudly been serving the Saco/Biddeford/Old Orchard Beach area for 30 years! Our goal at Steppin' Out is to increase a child's self-esteem through dance. For years we have provided the area with the finest dance training available. Our student's safety, well-being, and self-esteem are our highest priority. This is evident in the quality of our facilities, the experience of our staff, and the development of our curriculum. We are glad you have chosen our studio! We want to make sure you are happy. If the class you chose is not the right fit for you, we are flexible in moving you around. Take the month of September to try as many classes as you need until you find your best fit.

As a reminder our studio is a peanut free facility! Please do not bring snacks containing peanuts or tree nuts of any kind into our facility. Our students' health and safety is our highest priority. Thank you for your understanding!
