

Steppin' Out Dance Centre
Solos/Duos/Trios

We would like to welcome you into the 2019/2020 dance season! Here are a few rules and guidelines that will need to be followed with doing a solo/duo/trio!

What to expect:

We go to 2-3 competitions throughout the dance season, You can choose however many you would like to do. We ask that any dancers doing a solo duet or trio **MUST** be on that Performance Team for that style of dance. Attendance in your Performance Team classes are also **mandatory** in order to do any solos/duos/trios. Missing Performance Team classes in which this is where they learn their technique for what they are doing, may result in your dancer not being able to do a solo/duo/trio. **ALL** accounts with Steppin' Out **MUST** be up to date and maintained throughout the dance season before signing up for any solos/duos/trios. Dancers interested in ordering a costume through the studio must also let Nicole know by Dec 1st.
