International Provider Access<sup>SM</sup> (IPA). In addition to our expansive PPO network available for treatment received within the U.S., our proprietary IPA network of more than 17,000 accomplished physicians and facilities allows you to access quality care worldwide. Our direct billing arrangements can also ease the time and upfront expense at select providers.

**Financial Stability.** Our globally recognized underwriters, A-rated Sirius International Insurance Corporation (publ) and certain underwriters at Lloyd's, offer the financial security and reputation demanded by international consumers.

**Accessible Technology.** Log on to the secure, 24-hour online portal, MyIMG<sup>SM</sup>, to submit and view your claims, manage your account, search for providers, Live Chat with representatives and more.

#### WHY PATRIOT TRAVEL?

International travel can quickly turn into a frightening situation if you're not prepared for a medical emergency. Most travelers assume they will be covered by their standard medical plan, but that isn't always the case. While traditional plans may offer adequate domestic coverage, they are not designed for international travel. Without even realizing it, you may be putting your health at risk.

Don't let your medical coverage be an uncertainty. Travel with one of IMG's two Patriot Travel Medical Insurance® plans so you can spend more time enjoying your international experience and less time worrying about medical coverage.

- Patriot International® provides coverage for people traveling outside their residence country whose destination excludes the United States or its territories
- Patriot America® provides coverage for people traveling outside their residence country whose destination includes the United States or its territories.

Both plans are available for individuals, families and groups for a minimum of five days up to a maximum of two years, and offer a complete package of international benefits.
