Trip Cancellation Insurance

Trip cancellation insurance is always strongly recommended when making travel plans.

Purchasing Flight insurance does not cover the tour itself.

A journey of this nature is a financial investment. Cancellation insurance can cover your losses on nonrefundable air and land costs on trips cancelled due to personal or family illnesses or unforeseen documented emergencies. Check with your personal travel agent or with Travel Insured International (1-800-243-3174). Therefore it is strongly recommend that all participants obtain short-term travelers insurance covering baggage, medical, accident/life and trip cancellation.
