**Why do you think the current RPT Chair is doing a good or bad job, and what should they do differently?**

We are blessed to have Abraham George as the current RPT Chair. He is described as a leader defined by his faith, family and freedom. I do not have any specific recommendations at this time.

**Should the county GOP chair be involved with fundraising? Why or why not?**

I believe the County GOP Chair should be involved in fundraising. Helps win elections as they work with recruiting candidates, grows the Republican Party, and serves to promote strong traditional conservative values.

Precinct Chairs should be involved in elections. Serve as Precinct Election Judge or Clerk.

None

I do believe the County GOP Chair should be involved in political organizations and represent the Republican Party with other conservative groups.

**Do you think the 'Republican' brand should be used by PACs in their names in ways that may deceive voters? Why or why not?**

Absolutely not. Those PACs who have no affiliation with the Republican Party and actually represent the communist Democrats, yet espouse conservative values, only trick the voter.

**If not, what do you disagree with regarding Abraham George?**

Have no issues with Abraham George.

**In the 2022 GOP Convention, delegates voted to decouple from the Texas Election Code. Do you support this?**
