ADB Consulting Services is an Information Technology (IT) services provider and an audiovisual (AV) consulting and installation firm located in Bowie, Maryland. We specialize in project and program management, business transformation, unified communications and collaboration, training and coaching, television mounting and control solutions, home automation, low voltage cabling, networking, and Wi-Fi systems, among other services.

Our certified Project Management Professionals (PMP), IT engineers, system integrators, and AV professional experts have extensive experience managing large-scale domestic and international projects in the private and public sectors. They play multifaceted roles to ensure that all projects are delivered on time, within scope and budget and comply with all security protocols. Socio-economic credentials include Minority Business Enterprise (MBE) certification.
