Have you always wanted to mentor a young child, have a passion for bringing people together, or the ability to make things happen? Well, now is your opportunity! Whatever talents or skills you have, GA Elite Baseball would like to have you as a volunteer! The best volunteers bring added enjoyment to the game simply by being themselves.

Coaching experience is not required! All coaches will go through the GA Elite Baseball certification and training process. In addition, coaches new to the game will be paired with experienced coaches. Also, all coaches will attend a seminar(s) sponsored by the Atlanta Braves.

If coaching is not your thing, there are other ways to get involved. GA Elite Baseball is seeking volunteers who can provide support on the logistical side of the organization as well. We are looking for volunteers in the areas of coaches, umpires, concessions Team, Marketing Team (Sponsors/fundraising), Sprit/Events Team, Field Equipment & Prep Team, maintenance,, umpires, safety Team, and Team Parents Team.

All parents are strongly encouraged to volunteer. As a parent, volunteer, you have an opportunity to spend quality time with your child in a safe, fun-filled environment. Oftentimes, parent and child social lives parallel each other. Volunteering allows your life and your child's life to intersect on common ground, with shared interests and goals.

So don't delay, **Contact Mrs. Linda Drayton** and join in this historic and fun adventure.
