

## ***ROSTER DEPOSIT FEE: \$75.00 (Fully Refundable)***

### **Greeting Georgia Elite Parents,**

We are excited to officially kick-off our 2021 Spring/Summer Recreation Baseball Season. This weekend we will assign players to teams. Team practices will start this upcoming week. Your player's Coach will contact you Saturday evening or Sunday to welcome you to their team, give you a practice schedule and answer any questions you may have. Please note: If there is any issues, please address them at that time.

### **FULLY REFUNDABLE \$75.00 ROSTER DEPOSIT FEE**

We are honored to host this season with the support of our sponsors/partners, Major League Baseball, Atlanta Braves RBI, and more to help make this season's **Registration Fee Free...Yes Free!!!** The Registration Fee covers, game jersey, game hat, guaranteed roster spot, insurance, Umpire fees, and park fees.

Our mandate requires us to be financially responsible for all assets we receive. With that in mind a **FULLY REFUNDABLE Roster Deposit of \$75.00** is required. Roster Deposits will be refunded at the end of the season, if your player(s) participates in practices and games throughout the season. While we won't track attendance, this is simply to ensure that families that received a free registration scholarship are engage throughout the season.

In addition, we do not want to purchase unnecessary items for players who will not be participating. Those dollars can be spent on additional items for players in the program.

Again, we are excited to kick-off the Georgia Elite 2021 Spring/Summer baseball season – none of this would be possible without you and the community's support

We are excited to build this together!

***Thank You for Your Support***

***Coach James Jones
