

Our Late Cancel | No-Show Policy is designed to respect other clients and provide compensation to our therapists, who rely on us to manage their schedules and their careers, thank you for your understanding.

We kindly ask you notify us of any cancellation 24 hours in advance for a single service and 48 hours in advance for multiple services.

Appointment confirmation emails and texts are sent 48 hours before your appointment as a courtesy. Pure Aesthetica is not responsible for unconfirmed, missed appointments.

Please initial:

_____ I understand any appointment that is canceled without 24 hours notice will incur a 75% fee of the full appointment value.

_____ I understand any appointment that is a no-show will incur a 75% fee of the full appointment value.

I have read the above information and understand Pure Aesthetica's Late Cancel | No-Show Policy. I understand that I must cancel or reschedule my appointment at least 24 hours in advance to avoid a late cancel or no-show charge to my credit card (or reduction in gift certificate balance, or reduction in series balance). I hold Pure Aesthetica and therapists harmless from any liability that may result from Late Cancel | No-Show Policy. I agree this dated consent is valid for future booked appointments.
