

# Championship Bulletin 2026

## Junior Saloon Car Championship

**Bulletin Number** 01  
**Date of Implementation:** 11 June 2026  
**Championship Permit No:** CH2026/RXD001

The following regulation amendment is made with immediate effect. Deletions are shown in ~~blue strikethrough~~, and additions are show in Red Underline.

### Regulation Amendment:

#### 5.13 TYRES:

##### 5.13.1 Specifications:

g) Competitors are restricted to 8 new tyres at their first event of the Championship season.

At subsequent events the following applies:

- (1). 2 new tyres can be registered at each subsequent event except at the Pembrey event, where 3 new tyres will be permitted.
- (2). A maximum number of 10 tyres can be allocated to each event, of which 6 can be nominated for use in dry qualifying and race sessions. The remaining 4 nominated tyres are reserved for use if the clerk declares a session "Wet" however it is not mandatory to run these tyres.
- (3). All tyres registered, less for the 2 new tyres, must have been previously registered by the competitor in this championship season.
- (4). All tyres that a competitor wishes to use over the race weekend in any weather condition must be nominated as such on the Championship electronic form prior to the events qualifying session and nomination for this is the sole responsibility of the competitor.
- (5). Failure to nominate tyres properly may result in disqualification.
- (6). Any discrepancy between nominated tyres and tyres used in the event may result in disqualification

#### Reason:

Following consultation with the tyre supplier, it is strongly recommended that due to the nature of Pembrey circuit, a third new tyre is permitted.
