

# THIEVES DON'T SCORE WHEN YOU LOCK YOUR DOOR

Always lock your vehicle.

Do not leave valuables in your vehicle in plain sight.

Notify police first about the burglary and social media last.

You should always secure your vehicle, even if parking for a brief period by:

- Placing your valuables out of plain view
- Removing your keys from the ignition
- Locking your doors
- Closing all your windows
- Parking in a well-lit area

If you see any suspicious behavior in/around your community, we are asking that you notify TPD immediately!

Our non-emergency number is 609-989-4000 and in case of an emergency dial 9-1-1.
