

# DAWG GONE GOOD

DOG TRAINING AND SCENT WORK

## "New Year's Sniff and Seek"

**WHEN:** **Saturday, January 01, 2022** 1:00 PM – 4:00 PM (time is tentative)

**LOCATION:** [Calgary Horseshoe Club](#) - 4310 78 Ave. Ave SE, Calgary, AB

**COST:** **\$35.00**

**ODOUR:** **Wintergreen/Birch**

**HOST:** **Dawg Gone Good**

Shanna Chynoweth: 403-988-6768 or dawggonegood@shaw.ca

There will be 1 Container search and 2 Interior searches.

Your searches will run back to back and there will be no walk throughs. You will go from containers to two interior searches. You are free to leave after you have completed your run as we will tally your "present" count and let you know how many were hidden and who the winner was later by email. If there is a tie with the number of "presents" found the names will be entered in a draw with the winner being picked from there.

When you spot a "present" as you go along in your search just call out where you see it and it will be marked down. If you have found all of the the hides in your search area and have time remaining you can continue on looking for presents until the time runs out.

The hides will consist of 1 heat shrink tube of Wintergreen and one of birch for each hide. This way your dogs only need to know one of the odours. ( FYI - if they only know one of them, they will know the other by the end of their searches)

Containers - 2 minutes, 2 - 3 hides

Interior (1) - 2 minutes, 2 - 4 hides

Interior (2) - 3 minutes, 2 - 4 hides

You can choose how you would like to run your searches: you can concentrate on finding the hides with your dogs and not caring so much about yourself looking for the “presents” or look for “presents” and not care about the hides lol it doesn't matter....just have FUN!

**Prizes:** 1st Place: \$50.00 - Highest number of “Presents” found.

2nd Place: \$25.00 - Fastest time with highest number of correct hides found

Limited teams. A handler may run a second dog but the hides will not be reset and their score will not count. Assigned times will be emailed prior to event.

**Parking:** North, East or West side of building, Dogs must remain **SECURE** in your car or crated beside your car while not searching.

**Email any questions to Shanna Chynoweth at [dawggonegood@shaw.ca](mailto:dawggonegood@shaw.ca)**
