There will be 3 large Interior searches that will be run back to back.

Each search area may contain Wintergreen, Pine and/or Thyme or multiples of the same odor.

Searches may have unknown or known number of hides/distractors for the area. This will be information given to the handler prior to starting the search. For unknown number, you may be given a range – for example: 0 to 4 hides. If no range is given and it is an unknown number, then there may be any number of hides (or zero hides) in the area.

Each search area will be clearly defined, and a time limit will be given for each search area.

Scoring will be as follows:

- Each hide found = 5 points
- Finish correctly = 10 points
- Finish called after calling 1 FA = 7.5 points
- Finish called after calling 2 FA = 5 points
- Limit 3 false alerts per search = 0 points
- Timing out will result in a 2.5 point penalty
- False alert = minus 2.5 points

Prizes: TBD for top dog(s) dependant on entries.

Limited teams. A handler may run a second dog but the hides will not be reset and their score will not count. Assigned times will be emailed prior to event.

Parking: North, East or West side of building, Dogs must remain **SECURE** in your car or crated beside your car while not searching.
