Narrative

Selah Police Department - Incident Narrative Report

DO NOT DISCLOSE ____ DISCLOSE ____

On 6/30/2020 at approximately 2140 hours Dispatch advised that Selah public works employees requested law enforcement contact at the Selah city hall. I arrived and observed two public works employees using a pressure washer on the sidewalk in front of the building and on the roadway. I also observed city manager Don Wayman standing nearby watching the employees.

I exited my patrol vehicle and approached Wayman, as I neared him he said in a very serious voice "AND WHAT TIME DID YOU GET IN"? I advised him I got on shift today at 1600 hours. He asked if I saw them doing this (referring to an earlier protest involving the Black Lives Matter group and members of the LGBTQ community). I advised him I saw protesters gathered near the Selah civic center earlier in the evening but no I had not seen them in this area.

He was quite upset while speaking with me and I felt as though he was taking out his frustrations on me as he stated "THESE HOOLIGANS AND THUGS ARE DEFACING PROPERTY". He very sternly stated "I WANT THEM ARRESTED AND CHARGED WITH MALICIOUS MISCHIEF, IT'S A GROSS MISDEMEANOR."

I explained to Wayman that with current Covid 19 booking restrictions we would not be able to physically arrest anyone for this crime and it would only be a paper arrest (give a court date at a later time). He stated "ONCE THEY HAVE TO PAY COURT COSTS THEY WILL STOP."

I advised Wayman that I would check on the property throughout the night as time allowed and if anyone was defacing the property we would deal with it. He still was frustrated and did not seem happy with my answer, prior to ending our conversation he stated "IF THEY WANT A FIGHT THEY WILL GET ONE".

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing report, written in the County of Yakima, City of Selah is true and correct, and I am entering my authorized user ID and password to authenticate it.
