PLEASANT VIEW FIRST BAPTIST CHURCH

# A Note from Pastor Brad ...

*"After this I looked, and behold, a great multitude that no one could number from every nation, from all tribes, people, and languages, standing before the throne and before the Lamb, clothed in white robes, with palm branches in their hands, and crying out with a loud voice, "Salvation belongs to our God who sits on the throne, and to the Lamb!"*

Have you ever thought about the fact that we will be a part of John's vision found in Revelation 7:9? But, who will be there with us? There are multitudes who have never heard about Jesus Christ. They're not just around the world, they're also right next door! That's why it's important that we are a part of *Advancing the Kingdom*—reaching every nation, as well as our neighbors and family as well.

Just like last year, our 1FUND Missions Offering will be distributed to local ministries we support, as well as the Golden Offering for State Missions, the Annie Armstrong Missions Offering for national missions, and the Lottie Moon Christmas Offering for international missions.

Pleasant View First Baptist Church has a big role to play in reaching those around us, in our state and nation, and around the world! That's why I'm asking you to give sacrificially to our second annual **1FUND Missions Offering**.

## NATIONAL GOAL: \$65 MILLION

The Annie Armstrong Easter Offering (AAEO) is the primary way we support mission efforts in North America. One hundred percent of gifts given to AAEO are used to support Southern Baptist missionaries serving across the United States and Canada.

*Annie Armstrong was unstoppable in her passion for missions.*

Annie Armstrong (1850-1938) was born in Baltimore at a time when there was little opportunity for women. Yet, her devotion to Christ led her to a life of service and leadership. She organized women to pray, to give and to meet the needs around them. She challenged pastors and churches to action and rallied vital support for missionaries. Ultimately, Annie was recognized as a trailblazer for her visionary leadership that still inspires millions today.
