

# ZERO DEGREE

2023

## OUR STORY

Zero Degree was founded by a group of thrill seeking, outdoor enthusiasts originating from the Nordic regions of Europe with a calling for sub-zero adventures. The brand was born with one goal in mind. To provide high-performance gear to all adventure chasing daredevils of this world. With a dedicated focus on fit, function and innovation, our compact inspired designs are fit for any extreme condition, so the only thing you have to worry about is where you are going.

 ZERO DEGREE  
**BASIC**

Our classic ZERO DEGREE collection is built with supreme insulation capabilities to keep you warm and cozy on those cold winter days.

 ZERO DEGREE  
**EXTREME**

Taking our Zero Degree collection into the extreme category by added layers of insulation, windproofing and/or waterproofing to ensure maximum warm in all conditions.

 ZERO DEGREE  
**OUTDOOR**

In line with our classic ZERO DEGREE collection but designed for the outdoors using professionally proven camouflage patterns.

BACK VIEW

A full-page photograph of a winter mountain landscape. In the foreground, several large, dark, angular rocks are partially covered in snow. The middle ground shows a snowy slope with scattered rocks and patches of evergreen trees. In the background, a large, snow-covered mountain peak rises against a clear blue sky. The overall scene is bright and crisp, with a cool color palette dominated by blues, whites, and greys.

FALL - WINTER 2023

A full-page background image of a winter landscape. In the foreground, a calm lake reflects the vibrant orange and yellow sky of a sunset. The lake is surrounded by snow-covered banks. In the middle ground, a dense forest of evergreen trees stands against the base of a large, snow-capped mountain. The sky is filled with soft, colorful clouds. The word "NECKWEAR" is centered in a white, sans-serif font within a semi-transparent rectangular box.

FALL - WINTER 2023

A full-page background image of a winter scene. In the background, a large, rugged mountain peak is covered in snow and partially illuminated by a warm, golden light, possibly from a low sun. The sky is a mix of soft pinks and purples. In the middle ground, a dense forest of evergreen trees is covered in snow. In the foreground, a river flows rapidly, with large chunks of ice floating in it. The water is dark and turbulent, contrasting with the white snow and ice.

FALL - WINTER 2023

A full-page background image of a winter mountain landscape. In the foreground, a snow-covered evergreen tree stands on a gentle slope. Behind it, a dense forest of similar trees stretches across the middle ground. In the background, a large mountain peak rises above a layer of low-lying clouds or mist. The sky is a clear, pale blue. The overall scene is peaceful and scenic.
