

NINE TIGERS KUNG-FU

NEWSLETTER

Advanced Adults' Weekend Retreat
Bolton, CT

Creepy greetings ghouls, ghosts, and goblins! It's October, which means we're brewing up some mischief here at Nine Tigers Kung-Fu. Get ready for tournament prep, belt advancements, and special events! Keep reading on to see what we've got in store for the season of the witch!

Don't forget that Cervizzi's Fall Invitational is Sunday, October 25! This C.N.E.C-qualifying tournament has multiple divisions for students to enter. Our studio always enjoys going down to Malden, MA and entering the Invitational; it's a great introduction to competition and other styles of martial arts. If you have any questions, feel free to reach out!

November 8 is the Chinese Martial Arts Autumn Invitational! This event focuses entirely on Chinese forms of martial arts, so it's a fantastic opportunity for our students to meet similar--and familiar--kung-fu athletes! Many of our current and former students have met life-long friends as they compete, so don't miss out on this great chance to expand your knowledge about our art form!

As many of us are aware, Nine Tigers Kung-Fu has new documents for *all* our martial artists and their families to sign. As our studio grows, we want to accommodate our students and provide a guided list of policies & expectations we agree to. This will ensure everyone can learn in a safe and encouraging environment. Shelby has these documents ready at the Welcome Desk--go ahead and chat with her if you have any questions about our new contract of services!
