

CORINTHIAN AEGIS GROUP, LLC

PRECISION CYBERSECURITY SOLUTIONS & FEDERAL ADVISORY

Corinthian Aegis Group, LLC is a Service-Disabled Veteran-Owned Small Business (SDVOSB) providing CISO-level governance, solution architecture, and strategic risk management to the Federal Defense, Intelligence, and Civil sectors. Anchored by over 20 years of executive cybersecurity leadership, Corinthian Aegis Group bridges high-level policy with technical execution to safeguard mission-critical networks, drive Zero Trust transformations, and ensure continuous enterprise resilience.

CORE COMPETENCIES

Cybersecurity Architecture & Strategy

- **Zero Trust Architecture (ZTA):** Strategy, design, and roadmap alignment (OMB M-22-09, EO 14028).
- **Risk Management Framework (RMF):** End-to-end A&A, NIST SP 800-53 Rev. 5, NIST SP 800-171, and CMMC compliance.
- **Enterprise Security Design:** Data-driven security architectures, micro-segmentation, and ICAM implementation.

Governance, Risk & Compliance (GRC)

- **CISO-Level Advisory:** Internal control environments, C-Suite risk management, and regulatory alignment.
- **Third-Party Risk Management:** Vendor oversight, supply chain risk mitigation, and NIST CSF implementation.
- **Mission Assurance:** Securing Authorities to Operate (ATOs) for high-consequence weapons and tactical systems.

Capture & Technical Leadership

- **Solution Architecture:** Requirements decomposition, PWS shredding, and technical proposal leadership.
- **Program & P&L Governance:** Multi-million dollar budget management, Agile/SAFe transitions, and technical team leadership.

DIFFERENTIATORS

- **Veteran-Led Leadership:** Founded and led by a USMC veteran with 20+ years of hands-on technical tenure across defense, intelligence, and civil agencies.
- **Top-Tier Credentials:** Key leadership holds CISSP (#326727), Master's degrees in Information Assurance/Cybersecurity, and executive management credentials.
- **Proven Scale:** Track record leading technical solutions for \$1.3B+ in total contract value proposals and managing large-scale federal program budgets.
- **Cleared Personnel:** Resources capable of supporting mission-critical requirements up to Top Secret SSBI/SCI levels.
