KINGSTON, N.Y. — Uptown’s Stockade District will be transformed into a festive Autumnal block party with curated artists, musicians, vendors and entertainment for the third annual StockadeFaire on Saturday, Oct. 2 from 11 a.m. to 11 p.m.

This year’s event will be expanding up Wall Street between North Front and John streets.

The StockadeFaire/OMG Art Faire will kick off with a VIP opening on the evening of Thursday, Sept. 30, and will remain open to the public through Sunday, Oct. 3, at the Wall Street Music Hall.

The Stockade District's merchants and businesses will showcase their shops with specials. Entertainment and food and drink will be available at uptown restaurants and bars.

New this year, One Mile Gallery (OMG) will feature a selection of fine art galleries that represent artists working in photography, painting, sculpture, mixed media, video and digital.

Music and entertainment will include a live music stage at John and Wall streets.
