5 Star Patient Experiences!

Voted #1 by MedSpa Owners and Staff

*"I own a **COMMERCIAL LAUNDRY** that services many types of healthcare gowns. This product is hands down the **BEST** I have seen. The gowns need very little dryer time, as they come out of the washing machine barely damp, which helps extend the life of the gown.*

*The look and the feel of the gown is much more **LUXURIOUS** than any I have laundered to date."*

- Commercial Cleaners, Scottsdale, AZ

"Twirl has the best client gowns for our MedSpa! Made from a very nice material. And very stylish, they are made to fit just right. The embroidery turned out just perfect. We will definitely be ordering more. Overall it has been a great experience."

- Mona Fina, MedSpa, Scottsdale, AZ
