

THE CHRONICLE

MARCH 2024

EXALTED RULER MESSAGE

Brother and Sister Elks,

Now that the snow and ice is finally gone and the winter is over, spring is in the air! It is the season of renewal and growth. This simple truth of life is also a part of yearly traditions of your Lodge. New officers have been elected and are ready to take over the helm of our beloved 1463. We are very fortunate to have the talents and energies of a dedicated team to pilot us into the future. This new leadership group has the benefit of a fantastic mix of experience and new ideas that I am certain will take our Lodge to unprecedented heights. I am excited to see the growth and to work with them in any way possible to make your Lodge one that you are proud to be a part of. Our new leadership deserves and needs all our support as we pull together as a family and a team.

This will be my final message as your Exalted Ruler. Hard for me to believe, as I have truly enjoyed the privilege of chatting with you all every month. Though days sometimes seem long, the years seem to fly by. I appreciate those of you that have taken the time to read my messages and thank you for your patience in allowing me the freedom to express my thoughts and feelings. Hopefully you have enjoyed them as much as I have.

As I reflect over my time as your ER, I think about my successes and my shortcomings. Such is the nature of any endeavor. Some things we do surprisingly well and others that we thought would come easily, didn't meet our expectations. I am at peace with this fact and overall am very proud of what my team and I were able to accomplish over these last two years. Please know that each of us did our very best to provide an outstanding membership experience for our 1463 family, as well as making an impact in our community. I am proud

for the health of your Lodge and the open friendly atmosphere we continue to create.

The overriding emotion that I am left with at this point is a profound thankfulness for the people that I have had the pleasure to work with, that have supported me, and those that have challenged me. There are far too many individuals for me to name, however, I hope that those of you that have been by my side know the level of appreciation and love that I have for you. 1463 would not be what it is today without the awe-inspiring dedication and hard work that each of you has given to me, and to you, as part of Deland Lodge 1463. All of us, as members of Deland Lodge, owe them much respect and gratitude for the countless hours that they have given to us all. It has truly been an honor and a privilege for me to serve side by side with you.

The magic of being an Elk, and specifically a Deland Elk, is the fellowship that we share, the memories that we create, the amazing people that we meet, and the lasting effects of our time together. I will forever be a better person because of my time as your Exalted Ruler. I will always cherish the moments together, the friendships made, and love shared. Thank you for allowing me the privilege of being your quarterback on the greatest team on earth!

Now on to the next great season of Deland Lodge 1463!!

Fraternally yours,
Scott
