OCTOBER'S EXALTED RULER MESSAGE

My fellow Elks,

I hope that everyone is safe and has come through the storm without any major damage. These events can be very challenging. As Elks we rise to challenges and face them with teamwork and fellowship. Your leadership team continuously monitored your lodge. We were able to save all frozen food, although we did lose all the perishables out of the refrigerators. Thank you, Mr. Hand, for getting the generators running. The building itself will need to have the roof inspected as I see some shingles have been damaged or torn. The grounds have been cleaned mostly. We will be ready for normal lodge activities this week. Your lodge was even able to forge through, with the dedication of Robert Hennessy, with the soccer shoot on Saturday and had a great turn out!!

As I sit here tapping this message to you in the shade of my porch, I cannot help but reflect a bit over the last several days and weeks. Still waiting for the hard-working angels of the power company to get my neighborhood powered back up. After 80+ hours without electricity or internet, it would be so very easy for my inconvenience and fatigue to get the better of me. Life is so much more comfortable with AC and the miracle of illumination at the flip of a switch. However, I am filled with gratitude. First and foremost, we are all so very fortunate not to have suffered the devastation that so many of our brothers and sister have just to the west of us; I will continue to keep them in my prayers. As I am sure that you will as well. I am very thankful for the blessing of cooler weather after the storm that made the open windows seem more like an early fall treat than a sleep depriving swelter. I was comforted by the way that my fellow Elks came together to handle all the issues at the lodge and to stretch forth their hand in a time of adversity and misfortune. I am proud to be part of this family we call Elkdom.

I was offered a new perspective on a cool dark evening walk. Our dog by our side, we strolled through the night. No streetlights nor cars to interrupt our being one with the air and sky. These events have the ability to shake us from the day-to-day routine with all its stressors and demands, and if we are open to it then we can see how simple life can be. A loved one's hand in yours as a gentle breeze dances by, the laughter produced by friendship under the light cast off by a temporary halogen, and the forced stoppage of all that we have to do and accomplish can bring peace and quiet and a moments reprieve along with a breath of soulful air. We have much to be thankful for, even in the most difficult times. Appreciating the moments, especially when difficult, makes us richer, deeper, and better human beings.

I pray that you have found a moment or two to be surrounded by those you love and the mindset to savor whatever life has put before you.

We have many exciting things coming your way this month as we gear up for the holidays. This is going to be a great season!! Please check your calenders and then come out and help make joyous memories for all to share!!

God Bless you all,

Scott

PER BLOODY MARY BAR AND BRUNCH 9/17/22

If you did not make it to the Bloody Mary Bar & Brunch, you missed out on a great drink and food. You were able to put a lot of different food in your Bloody Mary, plus there was a lot of other food to eat. Great job to Chip Haverty for coordinating the event. Be sure to plan on attending the next one on 10/29/22.

Hello All:

REMINDER! Our ECD Picnic will be held in Titusville on Saturday October 15th at the pavilion. The time will be 10AM-2PM.

I realize some of the Lodges have activities on that day, but please advertise this important Army of Hope Fundraiser to your members.

We will also be having a Cake (and Pie) Auction, so bring or send your best. Also, we will have a Chinese auction of donated items. There will be games (cornhole, horseshoes, ladderball) hot dogs, hamburgers, etc. And, of course Steamed Corn! We will also have a Bounce House, so bring the kids and grandkids.

See you all soon.
