Dear First Evangelical Lutheran Family,

As we step further into 2026, the calendar turns to February, bringing a unique blend of traditions, celebrations, and opportunities for deep reflection. This month beautifully captures the journey of our shared life—new experiences, expectations, and traditions—navigated together as a community that has weathered the many seasons of our church's history.

This month, we look at three distinct milestones from our history, our holidays, and our church calendar:

1. Honoring Justice: Black History Month

February is a powerful time to collectively honor and celebrate Black History Month. It is a dedicated period to recognize the profound contributions, resilience, and often untold stories of our African American brothers and sisters. For our community, this isn't just a historical observance; it is a vital part of our ongoing commitment to justice, equity, and understanding.

Let us use this month to learn, listen, and reflect on the persistent call for justice in our world, living out the love and inclusivity at the heart of our faith.

2. Celebrating Connection: Love and Friendship

Mid-February brings the sweeter side of Valentine's Day. Whether it's the joy of lifelong friendship, the romance of partnership, or a simple act of appreciation, this is a time to celebrate the connections that enrich our lives. While flowers and chocolates are lovely tangible symbols, let us remember that **love in all its forms** is the true glue that holds our community together.

3. A Time for Reflection: Ash Wednesday and Unconditional Love

Even as we embrace these celebrations, February brings us to the threshold of the Lenten season. **Ash Wednesday** offers no chocolates or candy grams; instead, it offers something far more profound: a sacred time for reflection, repentance, and spiritual renewal.

On Ash Wednesday, we are reminded of our mortality and our dependence on God's grace. It is a powerful reminder of a love that transcends all earthly celebrations—the unconditional love of Jesus. As we prepare for this season, I invite you to embrace this opportunity for spiritual self-care, drawing closer to God and the divine love that anchors us through every season of life.

Looking Ahead

February asks us to hold many things in balance: celebration and solemnity, outward action and inward reflection. It challenges us to live fully in our faith—advocating for justice, nurturing relationships, and deepening our spiritual walk.

I pray that this month brings you moments of profound connection and a renewed sense of God's abiding love.

**Blessings,
Pastor Luis Ochoa**

Lent Season 2026

This Lent, I invite you to step out of the chaos and into a sanctuary of intentional listening. **"Frequency: Tuning the Heart Through the Noise"** is more than just a sermon series—it is a five-week sensory experience designed to help you recalibrate your spirit.

In a world that refuses to be quiet, we often lose the "still, small voice" of God beneath the static of anxiety, digital clutter, and busyness. Throughout this series, we will move through a curated **soundscape**—ranging from the jarring strike of a drum to the deep resonance of a cello—to help us name our distractions and find our way back to the Shepherd.

It Will Be A Participatory Experience

Each week, you won't just listen; you will engage. Our services will feature:

- **Physical Prayer Actions:** We will gather at the Cross to physically lay down our "noise" and vocalize our commitment to peace.
- **The Light of the Candle:** As we navigate the "hardship of silence," we will use the flame of a candle as a visual anchor to remind us that God's light reclaims the spaces where noise once lived.

The Power of Stillness: We will practice the discipline of silence together, learning that God is often waiting to speak precisely when the world stops shouting.

Join us as we transform our internal groans into a **new song** of victory. Whether you are feeling overwhelmed by the world's volume or simply seeking a deeper connection to the Divine, there is a frequency waiting for you here.

Message from Church Council President

Happy New Year! As we begin 2026, we give thanks for God's faithfulness and for the strength of our congregation. We look ahead with hope, trusting in God's guidance as we continue to grow together and serve.

Thank you to everyone who attended our November Town Hall Meeting! I am so grateful for the time you shared and for your enthusiasm in coming together in fellowship and conversation. It was truly a joy to gather and share information.

Council is excited to keep you informed and connected! Open communication is very important to us, and gatherings like our Town Hall Meetings are a wonderful opportunity to listen, share ideas, and grow together. Because these moments are so valuable, we plan to hold three Town Hall Meetings this year. Mark your calendar for May, August, and November.

Scripture reminds us in Isaiah that God promises an abundant life, even amid challenges and uncertainty. With God's guidance, our church is strong and resilient. When we stand together in faith, we become a loving and faithful presence in our neighborhood, living out God's call to support one another with compassion. I am truly thankful for each of you and look forward to continuing this journey together in faith.

Serving with you, Traci Laasch

Narrative Lectionary Explained

This Scope and Sequence for Sunday School helped me connect all the lessons to the theme for the year and to see the bigger picture for each chunk of lessons and sermons. I hope you like it!

Traci Laasch

Called by God, Blessed to Serve (Year 4, 2025-2026)

The stories of the Year 4 Narrative Lectionary tell of God's invitation into relationship given to all people, and the ways in which God provides gifts of grace at every turn. While Abraham seemed too old to father a nation, Moses too quiet to lead a people, and David too young to take over Israel, we see throughout the Old Testament that God repeatedly calls the unexpected to step out in faith. As the people answer God's call, God never fails to equip them for the journey. Throughout Scripture, gifts of grace are given to those answering God's call, especially at some of the most trying moments. From gifts of manna in the wilderness to the promise of new life for the struggling Israelites, God's call to discipleship is never without God's blessing and provision each step of the way. As God chooses to dwell among us in Jesus Christ, God's commitment to relationship is distinctly clear. Jesus' invitations to abundant life reveal a relentless love that desires that all people know and serve God. His teachings reveal a kingdom that opposes traditional expectations of power and importance, always calling the least expected into God's mission of redemption. As the hope of the resurrection spreads, God's grace abounds in everyday moments and throughout the significant challenges of the early church. These early churches learn to rejoice, even in trials, always trusting in God's provision. Each of us are invited into a life of discipleship by our loving Creator. God's continued presence and abounding grace allows us to answer God's call, and through those blessings, to live in hope as we serve Jesus through our neighbor.

Invitation to Abundant Life (Epiphany: Jan. 25 to Feb. 15, 2026)

Jesus' ministry continues as he calls those around him into new life. Each interaction reveals more about Jesus' identity and the promises of God, as well as God's desire for all to know abundant life. From invitations to be born anew through the Spirit, to promises of living water, these encounters with Jesus leave the individuals changed and further illustrate Jesus' purpose and ministry of bringing life to all.

Following Jesus (Lent: Feb. 22 to Mar. 8, 2026)

Upon entering Lent, the time when we draw near to Jesus as we prepare to remember his death and resurrection, more is revealed about Jesus' call to discipleship. Jesus invites all to follow him and promises to be the good shepherd providing and caring for his flock. His disciples are to listen to his voice and serve as he serves. Jesus' great love is clear as he weeps over Lazarus' death, and his great power evident as he raises him back to life. In Peter's denial, we see that we often struggle to live up to this call to follow Jesus.
