July 1st is celebrated as Canada's birthday. Canadians should seek to be witnesses to Christ

in Canada and the world, and to continue working to influence those in government to act from Christian principles and attitudes. Christians, realizing they do not have a lasting home here, should pray and work for justice and peace in Canada and through-out the world, so that all God's people may share in the goods of this earth. God's kingdom will come only when all people are ready to let Christ's teaching guide and rule their lives and actions.
