Bill C-218 is expected to proceed to second reading in the House of Commons in early March 2026.

Week 3: March 8
Women protecting the Earth

In Brazil, the lives of several rural communities are disrupted by industrial agriculture, mining and the Carajás railway. Women are at the heart of the fight to protect the land and the environment from the air, water and soil pollution that they cause. This pollution damages their kitchen gardens and harms the health of their children, families and neighbours. Courageously, these women resist to continue to exist on their land. To assert and protect their rights, they formed a women's association called *Seeds of the Earth* with the support of *Justiça nos Trilhos* (JnT), a partner of Development and Peace — Caritas Canada.

Please, can you spread the word by sharing our [Catholic School Teacher Postings](#) with them. Applications are completed online. We also have a vacancy for the position [Director of Learning Services](#) which begins August 2026. As parishioners, we invite you to pray for dynamic catholic teachers to apply and come be the witnesses our children need for their faith journey.
