Prayer

Loving God, have mercy on your people and open our hearts to peace and love. Reward all who have died for their country and grant that Canada and all nations may continue to work for peace and justice. Bless us in your service, and help us follow Jesus Christ, who is our Saviour and our Lord for ever and ever. Amen.

What they have done for others

On this day of recognition for all those who serve, in times of peace and times of war, at home and far afield, let us remember that each of these willing hearts, these sacrificial souls have given us a great gift: They have put our safety, our freedom, our homes before their own lives. Their dedication, their valor and their character have made this country stronger and our world safer. It is for this that we remember our veterans, for in the words of Albert Pine "What we have done for ourselves alone dies with us. What we have done for others and the world remains and is immortal." These brave hearts and their deeds are truly immortal.
