January 16, 2026

Dear Catholic Parents & Guardians,

Over the years, there have been many examples of sharing support and resources between Notre Dame School and Notre Dame Parish. Both the School and Parish strive to build up our Catholic community.

The tradition of lower tuition for people who actively support the Parish recognizes the support that the Parish gives to the School. If your family is fully active at Notre Dame Parish, you can apply for a discount on your child(ren)'s tuition rates under the Parish Supporter System. The full discount rate for 2026-2027 will be 20% if you meet the criteria. Here is how to apply:

Step 1	Fill out the forms in the attached <i>Parish Supporter Application Package</i> .
Step 2	Return your completed forms to the Parish office (<u>not</u> the school) for approval. Submit your application on or before February 27, 2026 . Late applications will not be processed.
Step 3	You will be notified by the School Bookkeeper if your application is approved/not approved for the 2026-2027 School Year.

You will be asked to submit a new application each year for the following school year.

Thank you for continuing to help us nurture and support a community of faith at both the School and the Parish.

Prayers and blessings,

Rev. Venerando Sabacan
Pastor
Notre Dame Parish
