

Dear Benefactors,

We missed more words to qualify your generosity and your availability to support our School. Our children were overjoyed to dance, to sing and to tell you: "Thank you so much for your love, Dear **Benefactors** British Colombia."

Blessings you will receive from Jesus Christ this year will be the health for you.

Ease, our children take one's ease, now they are smiling, thanks your generosity.

New year 2019 should be for you a peaceful and victorious one.

Everybody continues to clack his hands to tell you: "Love" for your large support.

Father, protect please our Benefactors!

All Saint Jean Bosco's children stamp their feet to thank your estimable collaboration.

Countries of Humanity are waiting for Jesus the Savior.

The good facts speak in your favor and express who you are.

Opportunity, you provide to serve those children, God will reward you that.

Righteously you are the best people we never met.

Securely you are our friends because every day you think of our Saint Jean Bosco' children.

Our children were happy at Christmas feast to sing together, to express you their joy and their thanks.

Jesus comes to tell you: Peace, Joy, longevity, Love and courage. He speaks with you every day, to tell you congratulation, He satisfies for your large heart. His little brothers and sisters of Saint Jean Bosco' school are very happy for your large participation. He tells you also: "His God 'Father is waiting for you in His kingdom. Don't affrays for anything!"

Our children, our staff and our Principal were over the moon to thank you for Christmas sharing.

They were very happy to take their Christmas food together. They were fun to drink together in their school yard.

Exactly, British Columbia people are the best friends, best brothers and best sisters for Haitian people, especially for our Saint Jean Bosco' children.

We continue to pray God to send His grace upon you, to protect you, your families and your country. If our children were overjoyed to feat Christmas, it thanks of your Love, your unity and your large collaboration. Thank you very much for your all services. Only God rewards you all.

Saint Jean Bosco' school,

Otile Jean
