## SPECIAL COLLECTION – SHARE LENT DEVELOPMENT & PEACE – March 22

*“So many people even today, hope to have enough to eat. The planet has food for all, but the will to share with everyone seems to be lacking. To prepare the table for all, and to ask that there be one table for all, doing whatever we can so that everyone has food but also reminding the world’s powerful that God will call them to be judged one day, and it will be demonstrated whether they have truly tried to provide food for Him in each person (cf. Mt 25.35) and whether they have acted in order that the environment would not be destroyed but would be able to produce this food.”*

POPE FRANCIS, Homily at opening of 2015 General Assembly of Caritas Internationalis
