FLORIDA LOSS CONTROL NOTICE

Pursuant to 69 FL ADC 690-166.040 of the Florida Insurance Department, we are required to inform you of the availability of Florida loss control programs and to provide you with certain guidelines for a risk management plan upon your request.

At your request, we will put you in contact with a company to review your loss control program and to provide methods for assisting in the prevention of losses. For example, programs can be purchased which may entail such services as surveys/analysis for identifying exposures related to your specific operations, relevant training and counsel of your staff, adoption of relevant testing strategies, and evaluations of current loss control practices.

In accordance with 69 FL ADC 690-166.040, we also wish to notify you that we will provide you with guidelines for a Florida risk management plan, upon your written request addressed to:

Coalition Insurance Solutions, Inc.
44 Montgomery Street, Suite 4210
San Francisco, CA 94104

Such guidelines would offer instructions and criteria for basic direction on what you can do for your own operation to help contain losses.

POLICYHOLDER DISCLOSURE NOTICE OF TERRORISM INSURANCE COVERAGE

Coverage for acts of terrorism is included in your policy. You are hereby notified that the Terrorism Risk Insurance Act, as amended in 2019, defines an act of terrorism in Section 102(1) of the Act: The term “act of terrorism” means any act or acts that are certified by the Secretary of the Treasury — in consultation with the Secretary of Homeland Security, and the Attorney General of the United States — to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion. Under your coverage, any losses resulting from certified acts of terrorism may be partially reimbursed by the United States Government under a formula established by the Terrorism Risk Insurance Act, as amended. However, your policy may contain other exclusions which might affect your coverage, such as an exclusion for nuclear events. Under the formula, the United States Government generally reimburses 80% beginning on January 1, 2020, of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. The Terrorism Risk Insurance Act, as amended, contains a \$100 billion cap that limits U.S. Government reimbursement as well as insurers’ liability for losses resulting from certified acts of terrorism when the amount of such losses exceeds \$100 billion in any one calendar year. If the aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced.

The portion of your annual premium that is attributable to coverage for acts of terrorism is \$-0- and does not include any charges for the portion of losses covered by the United States government under the Act.

I ACKNOWLEDGE THAT I HAVE BEEN NOTIFIED THAT UNDER THE TERRORISM RISK INSURANCE ACT, AS AMENDED, ANY LOSSES RESULTING FROM CERTIFIED ACTS OF TERRORISM UNDER MY POLICY COVERAGE MAY BE PARTIALLY REIMBURSED BY THE UNITED STATES GOVERNMENT AND MAY BE SUBJECT TO A \$100 BILLION CAP THAT MAY REDUCE MY COVERAGE, AND I HAVE BEEN NOTIFIED OF THE PORTION OF MY PREMIUM ATTRIBUTABLE TO SUCH COVERAGE.

In the event of an adverse publication, such notice will include complete details of the adverse publication and date you first became aware of such adverse publication.
WHEN THERE IS A CIRCUMSTANCE	With respect to Third Party Liability Coverages, if during the policy period, you become aware of any act or other circumstances that could reasonably be expected to give rise to a future claim covered under this Policy, and you give written notice to us through the persons named in Item 8. of the Declarations during the policy period of: 1. a detailed description of the act or other circumstances that could reasonably be expected to give rise to the future claim, including dates, persons, and entities involved; 2. the identity of the potential claimants; 3. the details of how you first became aware of the act or other circumstances; and 4. the nature of the potential damages; then any claim arising out of the act or other circumstances reported under this Section will be deemed to have been made and reported at the time written notice complying with the above requirements was first provided to us during the policy period.

OBLIGATION TO NOT INCUR ANY EXPENSE OR ADMIT LIABILITY	You will not, except at your own cost, admit liability, make any payment, assume any obligation, incur any expense, enter into any settlement, stipulate to any judgment or award, or dispose of any claim without our prior written consent, except as specifically provided in Section V, CLAIMS PROCESS. DEFENSE	We will have the right and duty to defend, subject to the Limits of Liability and applicable Retention(s), exclusions, conditions, and other terms of this Policy: 1. any claim against you seeking damages that are payable under the terms of this Policy; or 2. under Section II.B, REGULATORY DEFENSE AND

	PENALTIES, any claim in the form of a regulatory proceeding. You have the right to select defense counsel from our panel providers. We will pay claim expenses incurred with our prior written consent with respect to any claim seeking damages, funds transfer liability loss, or regulatory penalties payable under this Policy. We will have no obligation to pay claim expenses until you have satisfied the applicable Retention. The Limits of Liability of this Policy will be reduced and may be completely exhausted by payment of claim expenses. Our duty to defend ends once the applicable Limit of Liability is exhausted, or after deposit of the amount remaining on the applicable Limit of Liability in a court of competent jurisdiction. Upon such payment, we will have the right to withdraw from the defense of the claim.
RIGHT TO ASSOCIATE	We have the right, but not the duty, to associate in the investigation and response to any event or claim, including participation in the formation of strategy and review of forensic investigations and reports.

Any such fees must be incurred with our prior consent by legal counsel or a consultant we have mutually agreed upon. If there is a subsequent covered claim made, or covered incident, then such legal counsel and consultant fees will be considered claim expenses, loss, or breach response costs and will be subject to the applicable Limits of Liability and the Aggregate Policy Limit of Liability.
SETTLEMENT	If you refuse to consent to any settlement or compromise of a claim recommended by us and acceptable to the claimant, our liability for such claim will not exceed: 1. the amount for which such claim could have been settled, less the retention, plus claim expenses incurred up to the time of such refusal; and 2. seventy percent (70%) of claim expenses incurred after such settlement was refused by you, plus seventy percent (70%) of damages and regulatory penalties in excess of the

	amount such claim could have been settled under such settlement. In this event, we will have the right to withdraw from the further defense of such claim by tendering control of the defense thereof to you. The operation of this paragraph will be subject to the Limits of Liability and Retention provisions of this Policy.
SETTLEMENT WITHIN RETENTION	We agree that you may settle any claim where the total claim expenses, loss, damages, breach response costs, breach response services, regulatory penalties, and PCI fines and assessments do not exceed the applicable Retention, provided the entire claim is resolved and you obtain a full release from all claimants.

CANCELLATION AND NON-RENEWAL	We may cancel or elect not to renew this Policy by mailing to the named insured at the address shown in Item 1. of the Declarations, written notice stating when the cancellation or non-renewal will be effective. Where permitted by applicable law, however, we may provide such written notice of cancellation or non-renewal by electronic transmission. Such cancellation or non-renewal will not be less than thirty (30) days after such notice is mailed (or ten (10) days thereafter when cancellation is due to non-payment of premium or fraud or material misrepresentation). The mailing (or electronic transmission where permitted) of such notice as aforesaid will be sufficient proof of notice and this Policy will terminate at the date and hour specified in such notice. This Policy may be cancelled by us for non-payment of premium, or for fraud or material misrepresentation by you in the application or other information provided to induce us to issue this Policy; or for fraud by you in connection with the submission of any claim or event for coverage under this Policy. This Policy may be cancelled by the named insured by surrender of

	this Policy to us or by giving written notice to us stating when thereafter such cancellation will be effective. If this Policy is cancelled by us in accordance with the paragraphs above, we will refund the unearned premium computed pro rata. If the named insured cancels this Policy in accordance with the paragraph above, we will refund the unearned premium computed short rate. However, the premium will be deemed fully earned if any claim, event, or any circumstance that could reasonably be expected to give rise to a claim or event, is reported to us on or before the date of cancellation. We have no obligation to renew this Policy. Any offer of renewal terms, conditions, Limits of Liability, and/or premiums different from those of this Policy will not constitute a cancellation or refusal to renew
OPTIONAL EXTENDED REPORTING PERIOD	In the event of cancellation or non-renewal of this Policy, by either the named insured or us, for reasons other than fraud or material misrepresentation in the application for this Policy, or non-payment of premium or amounts within the applicable Retention, the named insured will have the right, upon payment in full of additional premium, to purchase an Optional Extended Reporting Period under this Policy, subject to all terms, conditions, limitations of, and any endorsements to this Policy, for a period of either: a. one year for an additional premium of 100% of the total annual premium; b. two years for an additional premium of 150% of the total annual premium; or c. three years for an additional premium of 200% of the total annual premium; following the effective date of such cancellation or non-renewal. The named insured's right to purchase the Optional Extended Reporting Period must be exercised in writing no later than sixty

	(60) days following the cancellation or non-renewal date of this Policy, and must include payment of premium for the applicable Optional Extended Reporting Period as well as payment of all premiums due to us. If such written notice is not given to us, the named insured will not, at a later date, be able to exercise such right. At the commencement of any Optional Extended Reporting Period, the entire premium thereafter will be deemed earned and in the event the named insured terminates the Optional Extended Reporting Period before its expiring date, we will not be liable to return any portion of the premium for the Optional Extended Reporting Period. The fact that the time to report claims under this Policy may be extended by virtue of an Optional Extended Reporting Period will not in any way increase the Limits of Liability, and any amounts incurred during the Optional Extended Reporting Period will be part of, and not in addition to the Limits of Liability as stated in the Declarations. The Optional Extended Reporting Period will be renewable at our sole option.
