Hi!

WELCOME

TO MENA SINO

It is with great pleasure and excitement that we extend a warm welcome to all attendees of to the 9th MENA-SINO Congress which organized by the Middle East North Africa Stroke and Intervantional Neurotherapy Organizations.

To continue our vision by being a multidisciplinary society for all Stroke practice and neurointerventional physicians specially in MENA area and to raise awareness and disseminate knowledge concerning developments in cerebrovascular diseases and neurointerventional procedures by promoting, conducting, and supporting teaching activities for the public, physicians, and scientists interested in this field.

This year we are honored to host this prestigious congress in Alexandria city the second largest captial in Egypt and the largest city on the Mediterranean coast in one of the biggest academic center in Egypt & worldwide in Bibliotheca Alexandrina from September 25th to 27th, 2024.

We encourage all participants to actively engage in the congress, seize the opportunity to learn from experts in the field, and contribute their own insights and experience Together and make a positive impact in the realm of stroke practice and neurointerventional procedures. We are looking forward to meet each and every one of you in September 2024.

The graphic features a large yellow '9' on the left, with a bust of a man's head (likely Alexander the Great) positioned inside its lower loop. To the right of the '9' is the word 'TH' in a smaller font, followed by the words 'MENA' and 'SIN' stacked vertically in a large, bold, yellow, sans-serif font. A red, brush-stroke-like wave sweeps across the bottom of the graphic.
