Prices include use of the arena, as needed ring drag breaks, a full course of hunter jumps, and our help in moving as needed. The bathroom rental fee is only necessary for horse shows; clinics and small events have access to the facility bathroom. Bathroom rentals will be split if more than one event is happening in the same month, so \$200 or less. Shavings can be provided from the facility if ordered in advance for \$7 a bag. Stall prices are priced by individual stalls and depend on how many days the facility is needed. We take care of stripping and sanitizing after each use of facility stalls.
