

*“The law from your mouth is more precious to me than thousands of pieces of silver and gold.  
(Psalms 119:72)*

**Are you ready for a life-changing experience in the Word of God?**

By following this reading guide and investing around 20 minutes daily to read 4 to 5 chapters in the Word of God, you will read through the Old Testament once, and the New Testament and Psalms twice during the year. You will find daily treasures in His Word that will help you become all God has created you to be.

### Tips for using this guide

1. Read the chapters assigned for each day, following the reading guide inside this brochure. This guide takes you, book by book, through the Bible, alternating between the Old and New Testaments. You will become acquainted with complete books, not just portions of the Bible.
2. After reading the assigned chapters, watch a five-minute video on YouTube presented by Dr. Nick on a verse selected from the day's reading.
3. End your devotional time with prayer. The Lord will speak to you every day through His Word; now talk to Him, knowing that He hears you and cares for you.

### Some additional suggestions

1. Try using a different version of the Bible each year. A great way to do that is to use an app like YouVersion or Bible Gateway.
2. Use an Audio Bible such as one you would find in YouVersion.
3. If you speak another language, read (or listen to) the Bible in that language every other year.
