importance & what you can do to yield the  
most from this time

# Day 1

## WHAT ROLE ARE YOU NEGLECTING, WORRYING ABOUT YOUR NEXT?

God has set you on a certain path and designed the ins and outs of it. There is a time for the next step in your life but maybe you are missing out on the beauty of now worrying when "next" is. Whatever your next is. Take the time to think about the role, or roles, you may be taking for granted at this time

- **ECCLESIASTES 3: 1-8**
- **LUKE 8:41-45**

There is a time for everything. And think what would have happened with this woman if Jesus was rushing to his next destination. Think of yourself as the same -> someone will miss out on this present you if you're rushing to the next.

# Day 2

## WHAT MAKES YOUR PRESENT ROLE/TITLE IMPORTANT?

Do you have a twin? Even if you did, they couldn't bring the uniqueness that God placed in you. There are gifts that only you possess in your circle, family, work place. These are needed more than you know. Take time to write down or think about why your role is important. Stop selling yourself short!

- **1 CORINTHIANS 12: 12-20**
- **SERMON- "DID YOU CHECK THE PRICE?" (MARKED PT 2)**  
**PASTOR CHARLES METCALF**

Remember you are graced for the battles you are going through & may not be graced for the battles someone else went through for their blessings.

# Day 3

## HOW CAN YOU TEND TO THIS FIELD WHILE WAITING ON IT'S HARVEST?

This time needs you to be fully present. What are some tasks you can do to maximize your harvest (aka the blessings to come)? Are you building your relationship with God, repairing family ties, reading self help and emotional awareness book? Exercising? Therapy? The list goes on. Maximize this time because time is the one thing we do not get back. Use this "pause" to get to the roots of You while having confidence that God is working on your behalf.

- **HEBREW 6:15**
- **LUKE 19: 11-27**
- **MATTHEW 24: 42-51**

Don't sit and wait. Put to work the talents God has given you.

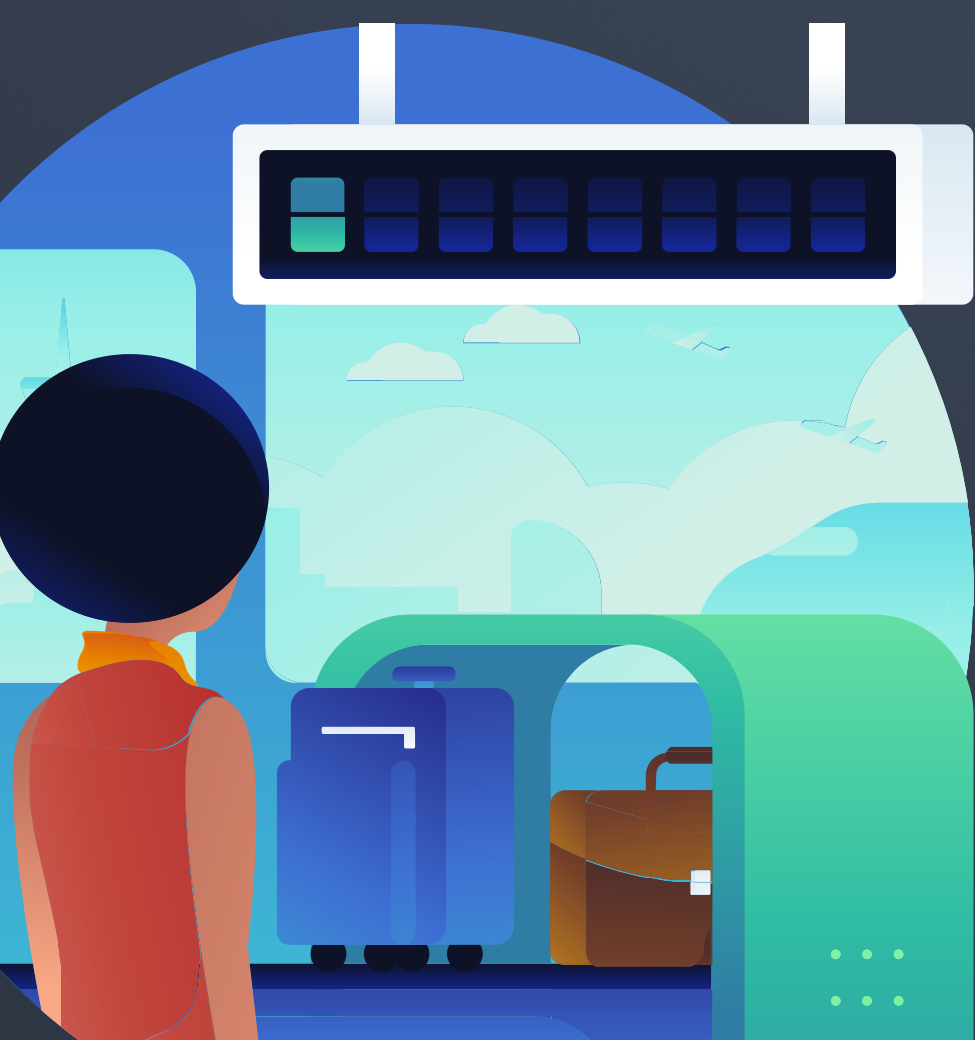

# Day 4

ARE THERE THINGS OR PEOPLE YOU  
NEED TO STEP AWAY FROM TO HELP  
YOU WITH YOUR CURRENT ROLE?  
ANYTHING YOU NEED TO ADD?

This comes with discernment. Ask God and He will help you make these decisions. It doesn't need to be a bad cut off if its people. Take time to see who or what adds to your role and who or what takes away from it

- **PROVERBS 27:17**
- **MATTHEW 9:16-17**
- **SERMON-EX IT OPPORTUNITY- (PT 1) PASTOR MICHAEL TODD** *Feel free to listen to pt 2 as well*

# Day 5

## YOU GOT THIS!

No question needed. I may not know your personal struggle but, if you're reading this , it means you've chosen to fight back with God on your side. That's an automatic win! No questions of if, just a question of when. Forgive yourself for not always doing what was best for you. Your thoughts and emotions will get the best of you, but those falls were part of your process.

Bad thought → Make it captive to God's words.

- **PSALM 46: 5**
- **"MISSION UNSTOPPABLE" (PT 1) - SARAH JAKES ROBERTS** *Feel free to listen to pt 2 as well*
