Fantastic 4's Soccer Festival: divide all players into teams of 4 to play 4v4 games; with no goal keepers. If needed, the games can be 3v3 as long as everyone is playing. Each game will last for 8 minutes with a 2 minute break between each game. Most games allow for players to earn more points by completing a task when scoring. After each game, the coach will tally the scores before sending the players to fields for the next game. If possible, change opponents for each game.

Scoring: 3 points for win · 2 points for tie · 1 point for loss + bonus for each game is available

Tie Breaker: Coach should track goals for & against to use in case of a tie at the end.
