

May 12 Board Meeting – Pickleball Committee Report

Main Gate Lock & Exit Button

- Thanks to Bob Kunzi for replacement of exit button and cover.
- Skipped adjustments (adding silicone stop/shim with adhesive that can keep magnet in place) since exit button and cover replacement seems to have addressed the problem. We will keep an eye on it. For now, all is good.

Exit button replacement

Exit Cover Replacement

Court Entrance Door – Magnet on door shifting down

Magnet on court frame

Cypress Court Sprinkler Schedule`

- Status: Thanks to Kathy Burleson who has contacted Landscapers for adjustment.
- Requested sprinklers start time move from 10PM to 11:30 PM.
- Adjustment allows all players to exit before irrigation begins.
- Additionally, a consistent 11:30 PM start time eliminates seasonal adjustments related to daylight saving time.

Adjusting Mosquito Spraying Schedule

Status: Pending feedback of schedule

- Reported the concern to HOA board members and Heather on April 10th.
- Concern regarding a spray truck conducting applications around the courts and neighborhood in the evening about 9:00 PM. This timing puts residents who are still outdoors in direct contact with the spray.
- To ensure the safety of our residents, we request that mosquito spraying not occur before 10:30 PM.

May Holiday Open Play: On schedule to take place Monday, May 25th
