

Tennis Committee Report July 2026

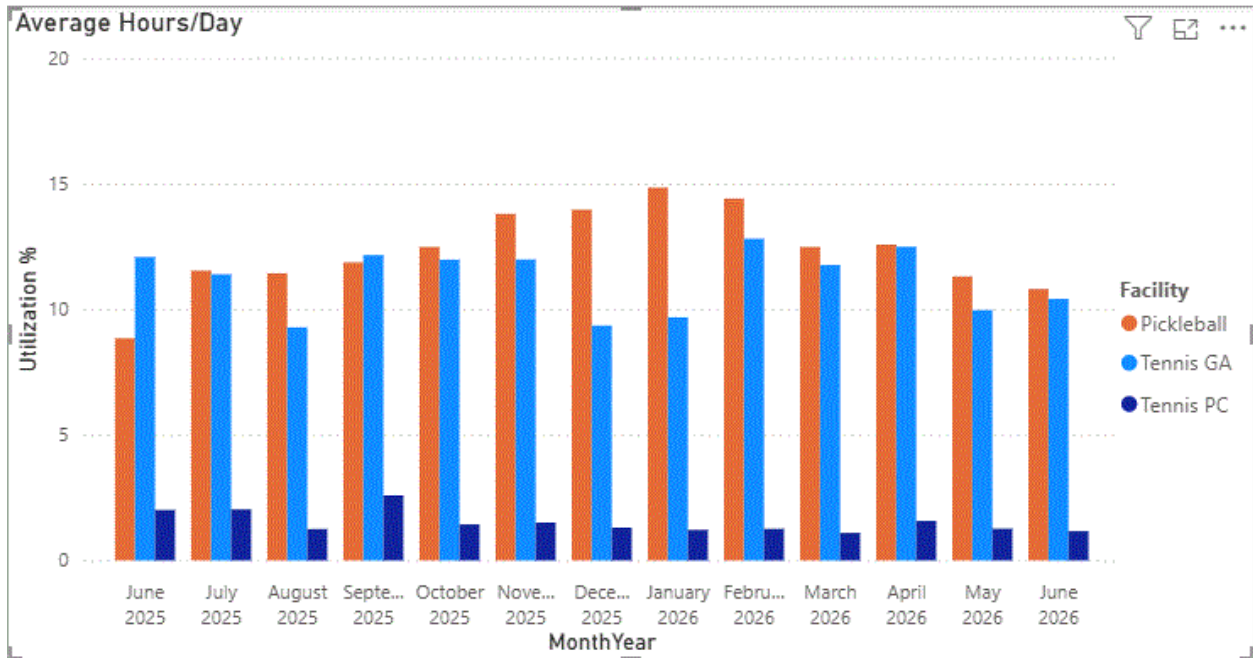

RMC clinic & Event type updates -**ALL CLUBS**

1. Event Types are now called Event Categories and are still located under Club Settings in the main navigation menu.
2. All of your previously created Event Categories are still in place.
3. If you edit or add a new Event Category you can now specify which user roles are allowed to create reservations using that Event Category. All previously created Event Categories are set to allow all user roles to create reservations with that Event Category, but you can now edit those if you want something different.
4. You can now optionally specify an icon for the Event Category which displays on reservations using that Event Category.
