

## Green Trails Pool Slide Rules

Danger! Failure to follow these warnings, instructions and the owner's manual could result in serious injury or death.

1. A lifeguard must be watching each participant as they use the slide.
2. Every participant must be a competent swimmer!
3. Only persons healthy enough for adventurous activities should use the slide. Please consult your doctor if you have a medical condition before using the slide. If you are pregnant, do not use the slide. Persons with physical or mental challenges should use caution and may require assistance.
4. Only one slider may slide down at a time.
5. Make sure the pathway is clear. Do not slide until all swimmers and any other obstacles are clear of the slide and catch basin.
6. Always slide feet first.
7. No goggles or flotation devices can be used on the slide.
8. Parents are not allowed to catch the swimmer at the slide exit.
9. There is a weight limit of 250 lbs. per slider.
10. Do not roughhouse or engage in horseplay on the slide.
11. Do not use the slide while under the influence of alcohol or drugs.
12. Do not use the slide if any part of it becomes damaged, weakened, or broken. Report any concerns to a lifeguard so that the slide can be inspected, and if necessary repaired.
