FLOTATION DEVICES:

We recommend your non-swimmer utilize a coast-guard approved flotation device like a puddle jumper or life-vest as opposed to water wings.

WHY DO I HAVE TO WEAR PROPER SWIMWEAR:

Enforcing a swim attire policy is to help maintain a clean, safe and enjoyable environment for all residents. Clothing that is not designed for aquatic use could cloud the pool water, disrupt chemicals and impact the waters filtration system.

*Street clothes (especially cotton) can transport airborne and ultimately water borne contaminants into the pool

A. Other absorbent materials (such as cotton) can break down in the water and cause fibers to clog filters

B. Any "colored" material (unless specifically made for swimming) can bleed into the pool effecting water balance

* T-Shirts can be a swimming risk. T-shirts can balloon up making it easy to get wrapped around the face, easy for someone to grab by accident, and cause downing.

A-Beautiful Pools reserves the right to deny use of pool facilities for non-approved swimwear. If you have questions or concerns, please check with A-Beautiful Pools office 281-376-6510.
