

# BROAD SPECTRUM ANTIMICROBIAL MULTI-SURFACE CLEANER

## CONCENTRATED

### USE ONLY AS DIRECTED

- To treat water use 1/2 gallon of Xtreme Bio WT per 30 gallons of water.
- Recommended for the treatment of water lines, holding tanks, and cool cells.

**CAUTION**  
KEEP OUT OF REACH  
OF CHILDREN

### PATENTED TECHNOLOGY THAT INACTIVATES PATHOGENS AT THE SOURCE

When used as directed, **Xtreme Bio WT®** is a proven formula that has been shown to neutralize viruses and bacteria in the presence of organic matter. Unlike other cleaners and treatments, Xtreme Bio contains NO glutaraldehydes or quaternary amines, and is made entirely from FDA-recognized "GRAS" ingredients (*Generally Recognized As Safe*).

- Neutralizes viruses and bacteria
- Neutralizes and removes odors
- Kills and controls microorganisms infectious to animals
- Kills bacteria that cause fouling in cooling towers
- Effectively kills odor-causing bacteria on food contact surfaces and non-food-contact surfaces
- Provides Inactivation of PEDv, PRRSv, and PCV-2
- Effectively controls the growth of algae

**ACTIVE INGREDIENTS.....0.7%**  
Citric Acid.....0.55%  
Lemon Grass Extract.....0.15%

**OTHER INGREDIENTS.....99.3%**  
*Purified Water, commonly consumed food commodities conforming to 40 CFR 180.950, Quillaia Saponin, Stearic Acid*  
**TOTAL.....100%**

**Proudly Made  
in the USA!**

**At suggested application rates, Xtreme Bio WT is a non-irritant to skin and eyes. It ships non-hazardous and is not regulated per the US DOT. Unlike other products that contain glutaraldehydes and quaternary amines as their active ingredients, Xtreme Bio carries a hazardous index score of all zeros.**

**Xtreme Bio WT is a patented technology that inactivates pathogens at their source.**

**Xtreme Bio WT** is a highly concentrated broad spectrum antimicrobial that has been tested and proven to kill bacteria and fungus, and to inactivate viruses.

#### **PROTECTS YOUR ASSETS**

When used as directed, **Xtreme Bio WT** is perfect for all surfaces. Deactivates and eliminates certain **viruses** and known pathogens like **PEDv**, **PRRSv**, and **PCV-2**.

#### **NON-CORROSIVE**

Unlike traditional disinfecting technologies, which are extremely corrosive to industrial facilities.

#### **NON-TOXIC**

Made entirely with FDA recognized GRAS ingredients (Generally Recognized As Safe), **Xtreme Bio WT** is **non-toxic** and **non-mutagenic**. Unlike other cleaners and treatments, **Xtreme Bio WT** contains NO alcohols, chlorine bleach, ammonia, hydrogen peroxide, methanol, quaternary amines, or glutaraldehyde. It is non-carcinogenic, non-pathogenic and does not contain substances considered dangerous to use.

- Improves health, increases water consumption
- Improves digestion and nutrient absorption
- Minimizes scours, reduces E-coli, salmonella and other pathogens
- Deactivates PEDv, PRRS, PCV-2, SE and AI
- Has been shown to remain active at temperatures below freezing in field trials\*
- Non-hazardous, Non-regulated, Non-toxic, Non-mutagenic formula
