“... that we might be fellowhelpers to the truth.” III John 1:8

August 2023

Dear Friends and Supporters,

Let me begin by expressing how very thankful we are for all of you. The faithfulness and commitment of God's people is always impressive to see. We are excited about all that is happening with Good Shepherd Baptist Missions. We have earnestly prayed and sought the Lord and are moving forward in complete dependence on the Lord and the Holy Spirit of God.

We have assembled the teaching team for the GAIUS Institute – Pastor Refresher, formerly known as the Pastors Training School. This year's meeting will be held at Natchez Trace State Park in Lexington, TN and hosted by our home church Gospel Light Baptist Church of Jackson, TN. All lodging and meals are provided. The dates of the meeting are November 13 – November 17, 2023, Monday - Friday. Check-in and registration will be on Monday the 13th and sessions will begin on Tuesday and continue Wednesday and Thursday. Checkout will be Friday the 17th at 11:00. Please make plans to attend. You can scan this QR code with your mobile device and fill out the registration form and send it back electronically. We ask you to pray for the finances for this meeting. These meetings certainly are not free, but we try and provide them to Pastors, who may not be able to afford such a time, at no cost to them as the Lord provides. This year, the Institute will be open to Pastors and their wives, so please make plans to attend together. Pray for the team that will be teaching that God will give us wisdom and power, that we can be a help in strengthening the men of God. It is our desire through the GAIUS Institutes to **Encourage, Edify, and Equip fellowlaborers to have effectual and abounding works for God's glory**. Registration must be completed by October 1, 2023. Maybe the Lord would have your church partner with Good Shepherd Baptist Missions to sponsor pastors and their wives. All sessions and meals, as well as lodging for 4 nights is \$375/person/double occupancy or \$750/couple. We have openings for around 25 more couples.

Here in Nepal, we are gearing up for our first International GAIUS Institute – Pastor's Refresher. This meeting will be held at the end of September. We do desire to be a help to the men who are faithfully preaching the truth and desire to follow the Word of God. We have plans to expand the international reach of GSBM into India. We are praying about and in discussion with co-laborers already in India about the details of these meetings. We are hopeful that we can announce the plans and schedules by this fall. Please help us pray about the expenses of the Nepal meeting and for wisdom in reaching into India.

I would also ask you to pray for Dr. DH Easter and Ms. Meige. Both he and Ms. Meige have had some health problems that they mentioned in their last prayer letter. We covet your prayers for them. They are not able to travel as they once did but are still being used by the Lord. If you have not ordered their book *A Complete Commentary on Proverbs* from Lulu publishers, I encourage you to do so. It will be a tremendous resource for you and for your people. Go to Lulu.com and search for the complete title name. It will be worth the cost.

We spend a lot of our time in Nepal but are stateside every year for scheduled times of meetings, both reporting to our supporters and holding meetings for Good Shepherd Baptist Missions. We will be stateside from October thru the middle of December this year. If you would like us to report on Good Shepherd Baptist Missions or present the work in Nepal, please email us at goodshepherdbaptistmissions@gmail.com. Thank you for your prayers and support.
