Dear Prospective Sponsor,

Statistics show (and history has proven) that graduation night is one of the deadliest nights for kids due to drinking and driving. High schools across the USA celebrate Project Graduation with the same common goal to keep our kids safe after graduation.

Project Graduation provides our graduating seniors with the option to attend a safe, alcohol-free and drug-free post-graduation party! Project Graduation is 100% staffed by volunteer parents of graduating seniors and 100% of the funding comes from donations and contributions from the community that supports Rouse High School. The goal is to raise money throughout the year so every graduating senior who registers by the deadline can attend the party for free.

Project Graduation is operated as a non-profit charity and recognized by the IRS as a 501(c)3 nonprofit organization. It is organized and managed by the Rouse High School Project Graduation Committee. The committee is made up of volunteer parents of seniors in the current graduating class and two RHS administrators.

As the 2022 designated charity, we are asking businesses for assistance with the annual "Rock N Rides Car Show" fundraiser that will be on Saturday, March 5, 2022

Please circle below which item(s) your business can help with (Deadline is January 31, 2022)

Sponsor of the Event

Cost is \$350: includes booth, listing on Rock'N'Rides website, promotion on Rock'N'Rides Facebook page, and mentioned on the back of Car Show T-shirts

Contributor of Door Prize

Any item that has a value of \$25 or more

Contributor of Goodie Bag Items

Any item you can spare 100 or more

Your participation in this event and donation to the Rouse Project Graduation 2022 will make it possible for every graduating senior who registers by the deadline to attend the party for free. On behalf of the Rouse High School Project Graduation Committee, the volunteer parents and seniors in the current graduating class, thank you for your consideration.

Sincerely yours,
