

# Big News!

The **Ed Hollock Team** at **Keller Williams Platinum Realty** is beyond excited to announce that from now through May 2026, we'll be donating a portion of *every* home sale to the Wilson Music Promoters!

These contributions will help cover the cost of the *unforgettable* Disney music trip for all students in the Wilson Music Program.

We're proud to support these *talented* young musicians—and you can help just by buying or selling a home with us!

Not buying/selling? Refer us to someone you know!

As a husband/wife team we are well prepared to provide compassionate, knowledgeable, and personalized real estate services that guide clients through life's transitions with ease.

Whether buying, selling, or moving into a new phase of life, our mission is to ensure every client feels confident, informed, educated, and supported throughout the process by creating a stress-free experience tailored to their unique needs.

Where we work:

- We are licensed in the state of Pennsylvania and can help anyone buy or sell within the state!
- We are connected with highly successful and like-minded KW agents outside of PA, that we can introduce you to. Choosing an agent randomly online can result in a poor experience or using an inexperienced agent. Let us connect you with someone who has the same passion and values that we do!
